Dear President Isaac:

The Committee on Substantive Change of the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges met February 29, 2016 to review the Substantive Change Proposal from Riverside City College for 1) a new location – the Coil School for the Arts (CSA), and 2) a program move – the Culinary Arts Program offered at the Coil School for the Arts.

The Committee acted to approve the substantive change for the new location and program move. A site visit is required within six months.

On behalf of the Commission, I wish to express continuing interest in the institution's educational programs and services. It remains the College's responsibility to inform the Commission of any program change. Professional self-regulation is the most effective means of assuring academic integrity, effectiveness and institutional quality.

Sincerely,
