

RCCD School of Nursing Vocational Nursing (VN) Program Point System

Applications are available during the filing period (Feb 15 – April1) on line at www.rcc.edu/academicprograms/nursing
All college and High School Transcripts must be on file in the Counseling Department at the time of application

A total of 130 points are possible. Selection for the VN program is COMPETITIVE, with 80% of spaces going to fully qualified applicants with the highest POINTS. The remaining 20% of spots will be filled by random selection of qualified applicants. There are more fully qualified applicants than we have spaces. There is no waiting list. Fully qualified applicants who are not admitted due to limited space availability must increase their points and re-apply the next year to be re-considered. Applicants who are invited to the VN program must have a valid U.S. Social Security number, pass the background check, drug screening and submit health clearances before enrolling.
