April 13, 2009

Riverside Community College District is working with PSOMAS to update the district's *Americans with Disabilities Act Transition Plan*. This important plan will identify and guide constructive improvements at our campuses, education centers and district facilities to meet ADA standards and assure equal access for all students, employees and community members.

An important part of the plan is developed from input from stakeholders. To provide ample opportunity for input the following public meetings have been scheduled:

**Monday, May 4, 10:30-Noon, Norco, Theater 101**

**Tuesday, May 5, 10:00-11:30AM, Riverside, Administration 109**

**Wednesday, May 6, 1:00-2:30PM, Moreno Valley, Humanities 129**

**Thursday, May 7, 6:00-7:30PM, Riverside, Digital Library Auditorium**

We invite you to attend a meeting to hear a presentation about the development of the plan and to provide suggestions for improving access.

If you require a disability accommodation to participate in a meeting, please call 222-3039 at least 48-hours in advance to ensure availability of accommodation.
