

## Information Regarding Schedule Changes

August 18, 2021

Dear RCC student,

In order for you to participate in face-to-face on campus classes during the Fall semester you must register and show proof of vaccination (or partial vaccination) through the Cleared4 system by **tomorrow**, August 19 at 11:59 pm. All students who have enrolled in Fall classes were sent a message from Cleared4 with information on how to provide vaccination information, please follow the instructions as soon as possible.

Students who are partially vaccinated must be tested weekly until two weeks after their final dose of the vaccine. The second dose should be administered before September 16 in order to have immunity established by the end of September.

We want you to be successful at RCC! It is important that you are proactive by reviewing and, if necessary, revising your Fall class schedule as soon as possible.

### ***Important information for Unvaccinated Students***

If you are NOT vaccinated or do not show proof of vaccination by the deadline, you will ONLY be able to participate in online classes and services (counseling, health, library, tutoring, and student services).

If you are currently enrolled in face-to-face classes and will not be vaccinated or show proof of vaccination via Cleared4 by August 19<sup>th</sup> you MUST change your class schedule by enrolling in online courses. If you don't change your schedule you will be automatically dropped from any face-to-face or hybrid class you are enrolled in.

Additional online classes, including late start classes, are being added to the fall schedules to further accommodate students requiring online classes.

According to the resolution passed by the Board (8/10) there are no medical or religious exemptions for students.
