INFORMAL CONSULTATION REFERRAL

The reporter may request a consultation with RCC Cares/BIRT. The student may or may not be notified of the report but may not necessarily be required to meet with a school official. Informal referrals are for relatively minor concerns and may be retained to determine if a pattern of behavior is observed that may lead to formal action. An informal referral will not necessarily result in any specific action.

FORMAL DISCIPLINARY or CONCERN REFERRAL

The student and/or the reporter will meet with the college official(s). Students have full rights of due process as outlined in the Student Handbook.
