11a. Please provide a link to the exact page on your institution’s website that displays its most recent publication of disaggregated student achievement data:

ACCJC will include a link to this page in your institution’s entry in the [ACCJC Directory of Accredited Institutions](#). This reporting and monitoring requirement supports ACCJC’s recognition by the Council of Higher Education Accreditation (CHEA) and is aligned with ACCJC’s Accreditation Standards 1.1, 1.3, 1.5, and 2.9.

11b. Please review and score your institution’s website on the [Rubric for Effective Institutional Outcome Transparency](#).

Score: 4

Reflecting on your score above, describe how your college is supporting continual improvement and innovation in alignment with the ACCJC Standards and guidelines for data transparency on your institution’s public website?

RCC’s Institutional Effectiveness (IE) webpage provides several documents related to student success and achievement. Most closely aligning with ACCJC’s guidelines for data transparency is "Strategic Planning Report Card Spring 2025," which includes disaggregated student achievement data and narrative on data significance and outcome improvement endeavors. See also "Vision for Success & Student Achievement" and the RCCD Public Dashboard" (https://rccd.edu/admin/ed_services/ie/dashboards.html). Our rubric score reveals transparency in accessibility, recency/context, disaggregation, and reflection/storytelling, but we could do better. Our IE office will increase data visibility on the main IE webpage, label it more clearly, disaggregate in more areas, and expand storytelling.

Yes	No
-----	----

If you answered no, skip to question 20.

19a. Job placement rates for students completing certificate programs and CTE (career-technical education) degrees for last three years available data:

For the purposes of the Annual Report, Job Placement Rate is defined as the percentage of students who are employed in the year following completion of a CTE (career-technical education) certificate or degree program. (This means that the denominator for the 2022-23 job placement rate will be the number of students who completed the program in 2021-22.) Report only those programs with a minimum of 10 students in the completion year. For example, if a program had 9 students complete in 2021-22, you do not need to report a job placement rate for 2022-23. Report only those programs for which reliable data are available. If your institution has defined its job placement rate differently than what is

described above, you may complete this question using your local definition – but please describe your definition and methodology in Question 19.

Program	Institution-Set Standard (%) (Floor)	Stretch (Aspirational) Goal (%)	2022-23 Job Placement Rate (%)	2023-24 Job Placement Rate (%)	2024-25 Job Placement Rate (%)
Registered Nursing	90	95	100	100	98
Vocational Nursing	60	70	77	73	76

20. Please use the text box below to provide any comments or context regarding the data submitted in this report (optional, no word limit):

21. Reflecting on your Institution's student achievement(s), what efforts/initiatives/competencies have you found to be fundamental in supporting the recent successes you've observed/reported? Please describe any innovations and improvements along with a brief narrative of how it was achieved.

The college's focus on "servingness" has increased awareness of the need to know our students, to create spaces in which students can bring their unique selves, and to honor and value what students bring. To that end, we are implementing a Standard of Care, which includes Engagement Centers tied to academic pathways and a sense of belonging "You Matter" campaign. Professional development is targeted to support this endeavor, emphasizing equity-centered learning, with initiatives such as the Servingness Discussion Series (tied to Dr. Gina Garcia's Becoming Hispanic-Serving Institutions book) that have engaged faculty, classified professionals, and administrators in dialogue and reflection on equitable and inclusive teaching and institutional practices. We also have had four cohorts complete our year-long Equity-Minded Learning Institute (EMLI); these EMLI leaders are equipped with strategies to drive institutional change. Finally, this year we sought and received designation as a BSI (Black-Serving Institution). We are proud of this achievement and determined to continue the equity-focused efforts needed to achieve the student outcomes required to maintain this designation, and to apply these efforts to all disproportionately impacted groups.

22. What professional development can the Commission coordinate to support your Institution in achieving its student success goals within the next three-year cycle?

ACCJC's recent focus on "storytelling" and Return on Investment (ROI) have been helpful. Continuing sessions on these, including showcasing other colleges' successful practices, would be wonderful.

23. Please confirm you have reviewed your institution's program listing in the Accreditation Platform. In the box below, please select one of the following.

- I reviewed the program listings and all of my institution's programs are correctly listed
- I have found some errors and will be reaching out to ACCJC for next steps on updating
