

Methods and Metrics Committee Minutes
March 19, 2024
12:50 - 1:50 – Zoom

	Members	Guests
	ASRCC Rep (unfilled)	
X	David Lee, A&R	
	Paul Richardson, Chemistry	
X	Brandon Owashi, IE	

1. Reviewed the Welcome Center survey and the Classroom survey. The Welcome Center survey will evaluate how the student feels their experience at the Welcome Center was. The Classroom survey will help evaluate the student's sense of belonging at RCC. Both of these are pilots.
2. NACCC Faculty Replacement
 - a. The NACCC survey was supposed to be administered to students, non-faculty employees, and faculty employees in waves. The first two are complete, but it does not look like the USC Race and Equity Center is going to administer the faculty version.
 - b. The purpose of this survey is to evaluate each group's perception of the current climate at RCC.
 - c. We are looking through the NACCC non-faculty employee survey to see what questions are relevant to faculty and how other questions should be changed.
 - d. Once we have a draft, we will share this so that hopefully RCC can do an internal version of the NACCC faculty survey.
