

Adding Narrative Prompts into Nuventive

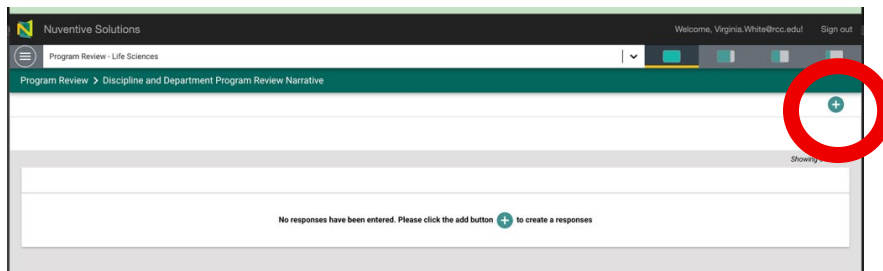

1. To access the narrative prompts in Nuventive, log in through the Nuventive Solutions Website (linked on the Program Review and Plan page of the college website).
2. Click the 'hamburger' menu button.

3. Click the Discipline and Department Program Review Narrative option from the drop-down menu (Academic Prompts or Co-Curricular Prompts)

4. That will open a window that will look blank. Click the + sign to add in your responses to the narrative prompts.

5. That will bring up a screen where you in input your responses.
