

Riverside City College

Student Access and Support Leadership Council

2017-2018 Membership

Strategic Responsibilities:

- Develop, in conjunction with the Academic and Career Technical Programs Council, the college's Student Equity Plan
- Develop, in conjunction with the Academic and Career Technical Programs Council, the college's Student Success Plan
- Develop, in conjunction with the Academic and Career Technical Programs Council, the college's Matriculation Plan
- Accept the Five-year Comprehensive Program Review Plans for each unit and prioritize the plans, including resource requests, that relate to student services/access and integrated academic support
- Assess the progress of the council's long-range plans each academic year
- Assist in the development of the college's Mid-Range Financial Plan
- Assume responsibility for Accreditation Standard IIB

Operational Responsibilities:

- Based on yearly assessments of the Five-Year plans and on current year budget constraints, amend the resource requests (staffing, technological, and facilities) in each college unit's yearly assessment that relates to student services/access and integrated academic support
- Develop an Integrated Action Plan each year
- Assess each year student support services/access targets and goals and make recommendations for their improvement
- Review the college's action plans related to student services/access and integrated academic support to ensure alignment to college goals and progress toward measurable targets
- Assess current instructional services provided by the library and other learning support services and make recommendations for their improvement
- Monitor and evaluate each unit's annual Assessment Report in the areas of student services/access and integrated academic support
