Course	Long Title	Rationale	Campus
Course Deletion			
SPA-3N	Spanish for Spanish Speakers	<i>Spanish 3N has not been offered at RCC for quite some time. Since the course is currently only offered at RCC, the best course of action is to launch a course deletion. No new action for RCC CC May 14 -- on hold to wait for program.</i>	R
Course Major Modifications			
AHS-13	Pre-Columbian Art History	<i>Adding objectives.</i>	MNR
AHS-14	Latin American Art: Colonial to the Present	<i>Adding objectives.</i>	MNR
NNA-80	Nursing Assistant Training Program (NATP)		R
NNA-80A	Nursing Learning Laboratory		R

NVN-43	Intermediate Concepts of Vocational Nursing - Maternity and Pediatrics	Per Title IV Department of Education 34 CFR 668.14(b)(26)(ii), programs must align with regulatory board minimum hours, which is 1,530 hours (California Code Regulation, Title 16, section 2532) according to Board of Vocational Nursing & Psychiatric Technicians in order for students to receive Title IV funding. The RCC VN program is currently at 1,548 hours. Therefore, 18 hours need to be removed in order to be in compliance. This change is required by July 1, 2024. Due to a decrease in OB and pediatric clinical sites, it is most reasonable to remove the 18 hours from the lab portion of this course, which in turn, will decrease the course by 0.5 units. There is no needed change in course SLOs, objectives, or course content.	R
New Course			
PSY-60	Independent Study in Psychology	Psychology majors want to gain experience in performing research studies. <i>No new action for RCC CC May 14 -- on hold to wait for BP/AP revision and approval.</i>	MNR
New Program			
PUB	Public Health ADT	To offer a complementary pathway to students who either want to earn a dual degree in Public Health and Nursing or an additional healthcare pathway to a transferring university. The prerequisites for Public Health ADT, Nursing, and other healthcare pathways are similar and this new pathway can provide students with a declared nursing major an additional healthcare pathway while either awaiting admission or for those who determine nursing may not be their desired educational goal. The COVID-19 pandemic illuminated the critical need for employability in the public health sector.	R

MVC/NC Information Items: New Courses

AHS-60	Special Topics in Art History & Visual Culture	<i>Art history and visual culture are constantly evolving; a rotating, special themed class enables faculty to continually craft the classroom experience and curriculum to foreground new critical perspectives, areas of research and scholarship, and emerging trends. A special themed class also provides a venue for faculty to share their own areas of particular expertise, research, and other professional talents with students. The content of the course is by design flexible; it will be selected and approved by the department. The direction of the course will be determined by current needs and interests of students and faculty. The organization of the course and material will vary from semester to semester, and instructor to instructor.</i>	N
MAN-66	Pneumatic Fluid Power Systems	<i>This proposal is to split up the MAN-60 so that pneumatics or hydraulics can be offered to help the students get through the program faster. We will also be changing the certificates in which the MAN 60 course is specified as an or. MAN 60, MAN 78 or MAN 66</i>	N
MAN-78	Hydraulic Fluid Power Systems	<i>This proposal is to split up the MAN-60 so that pneumatics or hydraulics can be offered to help the students get through the program faster. We will also be changing the certificates in which the MAN 60 course is specified as an or. MAN 60, MAN 78 or MAN 66</i>	N
