Applicants who have not met all RCC general education requirements are eligible to earn a *Certificate of Achievement* upon completion of the VN program.

The VN program graduate is eligible to take the National Council Licensure Examination (NCLEX-PN) for licensure as a Vocational Nurse in the State of California.

The VN Program requires 12 months of full-time study.

Each Fall semester up to 70 candidates are accepted into the program. Those applicants who are not accepted must reapply the following year. There is no wait list.

The applicant is responsible for ensuring that **ALL** official up-to-date transcripts and other necessary documentation have been received by Riverside City College at the time of application.

1. Admission will be denied to an applicant who earned a grade of “C-” or less in a Vocational Nursing Program at another college.
2. Foreign transcripts must have a “Detailed Evaluation,” and be submitted by the application deadline. Information can be obtained from the Counseling Office.
3. Students must have applied to RCC prior to applying to the VN Program.
4. Meeting the minimum requirements of the program does not guarantee admission into the program.

### **Anatomy and Physiology Requirement**

RCC encourages students to complete the entire series of Anatomy and Physiology at one school. This is due to the concern of possible missing components in curriculum when completed at separate colleges. Nursing applicants that have taken Anatomy and Physiology at two separate colleges are required to receive approval for these courses by requesting a *Request for Equivalencies and Substitutions* form from the Counseling or Evaluations departments.

### **Transcript Requirements**

Transcripts are "Official" when they are sent directly to RCC from the sending institution or are hand-delivered by the student in a sealed envelope from the sending institution. Copies of transcripts/diplomas are not accepted. Transcripts are *Up-to-Date* when they are received by RCC no more than 90 days after the sending institution issued them, as verified by the date that the institution stamps on the transcript. If you need to request an official copy of your transcripts from other colleges previously attended, please visit the [Parchment](#) website. A transcript Request form is available in the Transfer Career Center. Transcripts that are not official and not *Up-to-Date* will be returned to the student and will lower priority status if the official transcript is not submitted by the deadline. Please be aware that your transcripts will be purged after one year if you have never been enrolled at RCC, or if you have not been an RCC student for four years.

### **Selection Procedure**

Available enrollment spaces are selected by rank order (highest points) based on points earned on the multicriteria factors and through random selection (see *Vocational Nursing Program Point System*). RCC reserves the right to designate a certain number of spaces for contract agreements and/or to meet grant-designated outcomes.

If a student is not offered a space in the program, a new application is necessary in the next application period. The School of Nursing has no wait list.

### **Additional General Education Requirements (for Associate Degree in Vocational Nursing only) (17-19 units)**

The following general education courses are not required for admission to the VN program; rather, they are required for the completion of the ADN (VN) degree. **When planning expenses, students should be aware they may have to limit their hours of employment due to extensive VN Program requirements. Scholarships and grants are available to those students who qualify.**

### **Health Exam and CPR Certification**

Students will be admitted to the program pending submission of a CPR card (American Heart Association BLS Healthcare Provider Course) valid for 2 years, and a completed health examination form with clearance permitting unrestricted functional activities essential to nursing practice in accordance with the American with Disabilities Act (1990). Health Exam and CPR Certification are not required at the time of application.

All new and readmitting students are required to demonstrate a clear background check and drug screen prior to enrollment in the VN program. See the *Background Check/Drug Screen* policy in the *SON Enrollment Committee Policy and Procedure Manual* for further details. The background check requires that students be able to provide a valid social security number Individual Taxpayer Identification (ITIN) number. The process for obtaining the background check is available in the School of Nursing office.

### **California Board of Vocational Nursing and Psychiatric Technicians: Substantial Relationship Criteria: (BVNPT 16 CCR 2521)**

An applicant with a criminal conviction is permitted to apply for licensure, and to take the licensure examination if they meet all the education and experience requirements. The final determination on the application with a criminal conviction is made only after the applicant takes and passes the licensure examination. By permitting an applicant to take the licensing examination, the Board does not waive its right to deny licensure based on convictions once an applicant passes the exam. The board will not tell people if they will be approved or not, as each decision is based on the specific facts and circumstances of the case. Any student having questions regarding his/her eligibility for licensure should contact:

Enforcement Coordinator  
Board of Vocational Nursing and Psychiatric Technicians  
2535 Capitol Oaks Drive, Suite 205  
Sacramento, CA 95833 (916) 263-7800

### **Disclosure of Social Security Number/Tax ID Number**

Disclosure of one's social security number or ITIN is mandatory for licensure. Failure to disclose your social security number or ITIN number, will prevent your application for initial licensure or renewal to not be processed.

### **Fingerprint Requirement**

Applicants for licensure are required to be fingerprinted for purposes of conducting a criminal history record check. The fingerprints remain on file with the California Department of Justice, and that agency provides reports to the Board of any future convictions on an ongoing basis. (Authority: Section 144, Business and Professions Code).

*The Riverside Community College District Board of Trustees has adopted policies and procedures and has endorsed practices, which provide for the district and its employees and students to comply with all the applicable laws relating to prohibition of discrimination based on gender, age, race, color, national origin, religion, disability or sexual orientation.*
