APPLYING FOR FINANCIAL AID & ADMISSION

Completing the Applications

Completing a Free Application for Federal Student Aid (FAFSA) and an admissions application to RCC is the way to start your educational journey! For students qualifying under AB 540/2000/SB 68, the California Dream Act Application (CADAA) is available. By completing the FAFSA, students can be considered for several state, federal and institutional financial aid opportunities. By completing the CADAA, students can be considered for several state and institutional financial aid opportunities. Student Financial Services (SFS) assists students who qualify by helping to relieve the financial burden of paying for college expenses. Financial aid is designed to help supplement your educational expenses. Financial aid is not a primary source of income to meet your basic living expenses and needs.

Steps in completing the applications:

1. Complete an admissions application online at www.rcc.edu. If you do not have computer access at home, you can come to campus and apply online in the Welcome Center located in the CAK Student Service Building.
2. After you have completed your admissions application, activate your RCCD student email account (See Student email accounts in the table of contents for additional information). Your RCCD student email account is how you will be contacted by SFS for matters concerning your financial aid. **It is very important to check your email consistently for updates and financial aid opportunities.**
3. Complete either the FAFSA or CADAA. You can complete the FAFSA online at www.studentaid.gov or on the phone with a live person by calling 1-800-433-3243. You can complete the CADAA online at <https://dream.csac.ca.gov>. If you would like assistance with your application, we offer application workshops and one on one assistance year-round. You can contact us at studentfinancialservices@rcc.edu for assistance. When you are completing your application you will need to add the school code for RCC (FAFSA =001270, CADAA=00127000) so that we may receive your information.
4. Once you complete your FAFSA you will receive a Student Aid Report (SAR) by email or mail from Federal Student Aid Programs. The SAR is your initial response to your FAFSA application. For the CADAA, you will receive your California SAR (CAR) from the California Student Aid Commission. An accurate SAR/CAR requires no corrections. Be sure to read the "Comments" section of your application. If corrections are necessary, you may consult the SFS counter for assistance before submitting corrections. FAFSA applicants must use the Federal Student Aid Identification Number (FSA ID) user name and password to make corrections to the FAFSA application online.

The FSA ID

The FSA ID allows students and parents to identify themselves electronically to access FSA websites. Your FSA ID is used to confirm your identity when accessing your financial aid information and electronically signing your *federal student aid* documents. It's important to understand that the student and the parent may not share an FSA ID: Your FSA ID is your signature, so it has to be unique to you. If you are a parent of a dependent student, you will need your own FSA ID if you want to sign your child's FAFSA form electronically. If you have more than one child attending college, you can use the same FSA ID to sign all applications, but each child must have their own.

Your FSA ID is used to sign legally binding documents electronically. It has the same legal status as a written signature. Don't give your FSA ID to anyone or allow anyone to create an FSA ID for you—not even your parent, your child, or someone helping you fill out the FAFSA online.

When you create your FSA ID, you will be given the option to provide your email address and register your mobile phone number. If you choose to provide this information (we strongly encourage you to do so), it is important to remember that a mobile phone number or email address can be associated with only one FSA ID.

The FSA ID consists of 4 parts:

- * IDENTITY: Full name, Social Security number, email, date of birth, username and password
- * PROFILE: Mailing address, phone number optional and 5 security questions and answers
- * REVIEW: shows an overview of profile but will not show the full SSN or the answers to the challenge questions.
- * DONE: The FSA ID website gives students direct access to www.studentaid.gov. The FAFSA sign-in is on the left side of the "Login" page at www.fafsa.gov or www.studentaid.gov.

For more information regarding FSA ID please visit our Financial Aid Video Library at <https://rcc.financialaidtv.com/>.

IRS Data Retrieval Tool (DRT)

The IRS Data Retrieval Tool (IRS DRT) is a feature of the FAFSA that allows students and parents to access the IRS tax return information needed to complete the FAFSA. Student and parents may transfer the data directly into their FAFSA. If you are eligible to use the IRS DRT, we highly recommend using the tool for several reasons:

1. EASY: Transfer information with the click of a button.
 2. FAST: Instantly retrieve your information.
 3. ACCURATE: Correctly fill in your information.
 4. TIME: Using the DRT will reduce the information requested by the college.
- If you do not use the IRS Data Retrieval Tool to provide tax information and are selected for verification of income, you must provide a copy of your tax return transcript or your parents' tax return transcript directly from the IRS office. The tax return transcript can be ordered online at www.irs.gov.

To Use the IRS DRT:

1. Log in to your current *FAFSA application* or start a new application if you haven't applied at www.studentaid.gov.
2. In the finances section of your FAFSA, you will see a "Link to IRS" button if you are eligible to use the IRS DRT.
3. Click the "Link to IRS" button and log in with your *FSA ID* to be transferred to the IRS to retrieve your information.
4. Once at the IRS site, enter your information exactly as it appears on your federal income tax return and click the "Submit" button.
5. Check the "Transfer My Tax Information into the FAFSA form" box, and click the "Transfer Now" button.
6. You will know that your federal tax return information has been successfully transferred because the words "Transferred from the IRS" will display in place of the IRS information in your FAFSA form.

For your protection, your tax information will not be displayed on either the IRS site or www.studentaid.gov.

The IRS DRT can be used by both students and parents. To learn more about the IRS DRT, visit www.StudentAid.gov/irsdrf.

For more information regarding IRS Data Retrieval please visit our Financial Aid Video Library at <https://rcc.financialaidtv.com/>.

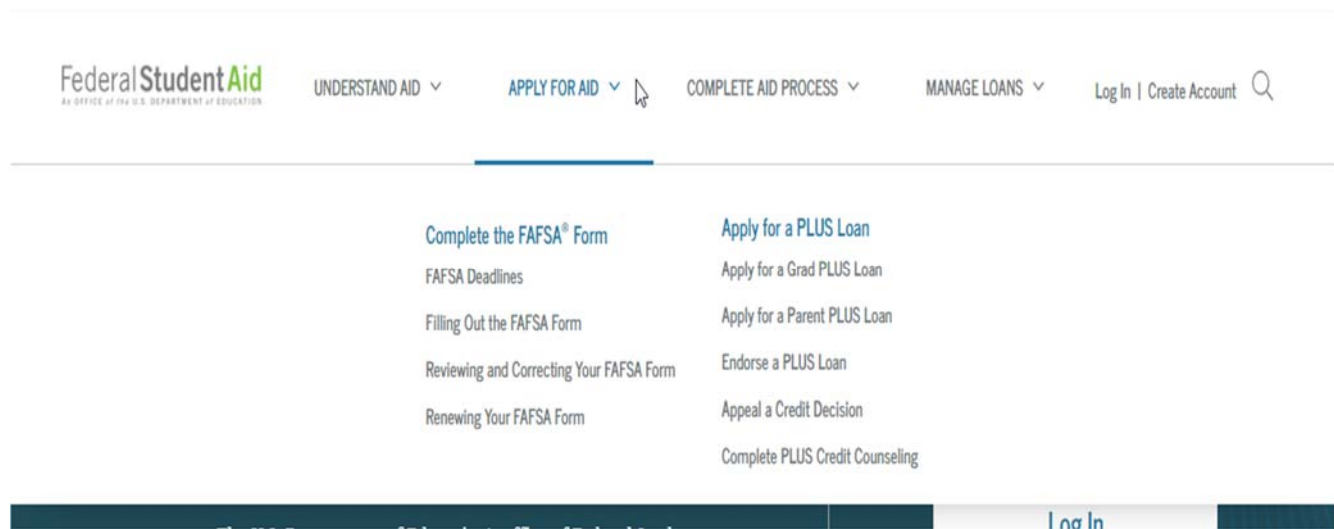

Submitting corrections to your FAFSA or CADAA

Students should submit corrections if:

- RCC school code 001270 is not listed under the school section of your FAFSA or 00127000 on your CA Dream Act Application (CADAA).
- There is no Expected Family Contribution (EFC) number due to incomplete or conflicting information. See the comments section of your application for more information.
- The drug-related question was left blank.
- Income information is incorrect and your application was not selected for "Verification".
- To use the IRS Data Retrieval tool to load you and/or your parents' tax information onto your FAFSA.

If you are not sure that corrections are needed or what corrections to make please contact SFS at (951) 222-8710 or studentfinancialservices@rcc.edu. Corrections for FAFSA can be made online at www.studentaid.gov or by mailing Part II of your SAR if you received it by mail. CADAA corrections should be made at <https://dream.csac.ca.gov>. You may also attend one of our application workshops and we will assist you in making the necessary corrections.

Facts to know when completing your application

Dependency Status: Dependent vs Independent status?

When completing the FAFSA/CADAA application, you will be asked a series of questions to determine your dependency status. Your answers to these questions will determine if you are considered a “dependent student” or an “independent student” for *financial aid purposes* and whether you will need to include parental or spousal (if applicable) information on your application.

For the 2021-22 academic year, students are considered **dependent** for financial aid purposes if they answer “**No**” to **all** the following questions and must include parental information and their signature, on their application.

- Were you born before January 1, 1998?
- As of today, are you married?
- At the beginning of the 2021-22 school year, will you be working on a master’s or Doctorate program?
- Are you currently serving on active duty in the U.S Armed Forces for purposes other than training?
- Are you a veteran of the U.S Armed Forces?
- Do you now have, or will you have, children who will receive more than half of their support from you between July 1, 2021 and June 30, 2022?
- Do you have dependents (other than your children or spouse) who live with you and who receive more than half of their support from you, now through June 30, 2022?
- At any time since you turned 13, were both your parents deceased, were you in foster care or were you a dependent or ward of the court?
- Has it been determined by a court in your state of legal residence that you are an emancipated minor or that someone other than your parents or stepparent has legal guardianship of you?
- At any time on or after July 1, 2020, were you determined to be an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless, as determined by (a) your high school or district homeless liaison, (b) the director of an emergency shelter or transitional housing program funded by the U.S. Department of Housing and Urban Development, or (c) the director of a runaway or homeless youth basic center or transitional living program?

Please note: Self-supporting, not living with parents or not being claimed by their parents on tax forms is **not** considered a determining factor for dependency status for financial aid purposes.

If you answer “**Yes**” to at least one of the questions listed above, you are considered an **independent** student and will be evaluated for financial aid based on your own circumstances. Your parental information and signature are not required.

What if my parents are separated / divorced?

If your parents are divorced or separated and you are a **dependent** student, you only need to apply with your custodial parent's financial information. If your custodial parent has remarried, you will also need to include your custodial parent's spouse's income information as well.

Be sure to use your birth or adoptive parents' information. Do not use information from the following:

- Grandparents
- Legal guardian
- Foster parents
- Relatives

If you are unable to provide parental information due to, you may appeal to the Student Financial Services (SFS) office. Please refer to the **Dependency Appeal Request** section below for additional information.

Dependency Appeal Request

Most students entering a postsecondary school straight from high school are considered financially dependent on their parents. This means their parent(s) (biological or adoptive) must provide information on the FAFSA/CADAA.

A student cannot be determined to be independent because:

- Parents do not want to provide information on the FAFSA/CADAA due to privacy concerns.
- Parents do not feel it is their responsibility to provide financial aid for college.
- Parents no longer claim you as a dependent on their taxes.
- You are self-supporting and/or no longer live with your parents.

In some cases, the SFS office may be able to use professional judgment to override your dependency status if you can prove that extenuating circumstances exist in the family such as:

- You have no contact with your parents and are unable to locate them
- You have left home due to an abusive situation and your physical and/or emotional welfare are jeopardized by having contact with your parents

If you have extenuating circumstances and are unable to complete the parent(s) section on the FAFSA/CADAA application, follow these steps:

- On the 2021-22 FAFSA/CADAA, answer No to all of the questions on the Dependency section and mark the section of the application that says "I am unable to provide parental information" and submit the application.
- Contact the financial aid office (in person or via phone/email) to request a Dependency Override Appeal
- Once the financial aid office opens your ability to appeal online, log into your financial aid task portal at <https://rcc.verifymyfafsa.com> and complete the Dependency Appeal steps:
 - Web form with statement
 - Upload a third-party statement from someone who knows of your circumstances (cannot be from a friend, family member, co-worker). Examples include: school instructor/teacher, school counselor, employer, clergy, etc...
- You will be contacted via email regarding the status of your appeal.

You must Petition for Independent Status each academic year you apply for financial aid or you are required to provide parent(s) information on your FAFSA/CADAA application. Dependency appeals approved by other institutions are not accepted at Riverside City College.

Information for Non-Resident Students

The Admissions and Records Office at Riverside City College determines a student's residency status at the time of admission or readmission. For detailed information please go to: <http://www.rcc.edu/become-a-student/residency.html>

Students who are classified as a "Non-Resident" pay both the per unit enrollment fee and the per unit non-resident tuition fee. Students may obtain information in regards to the non-resident tuition fees by going to <http://www.rcc.edu/become-a-student/tuition-fees.html>

The SFS Office will apply any federal grants that a non-resident student is eligible for to the student's current academic tuition and fees balance with Student Accounts. If a student has grant funds remaining after their tuition and fees are paid, the balance will be disbursed to the student through BankMobile Disbursements. If there is a remaining balance owed for tuition and fees after a student's grants are applied, the student is responsible for paying off the balance before the end of semester. Loan funds are disbursed directly to the student through BankMobile Disbursements. The student is responsible for using the loan funds to pay any remaining balance owed to Student Accounts.

It is important that students keep their address and contact phone number up to date with the Admissions and Records Office at all times.

** If a student drops any classes, totally withdraws or stops attending all of their classes, the student may be responsible for repaying back all or a portion of the federal grants/loans disbursed to them.

Ability to Benefit (ATB)

To receive most types of financial aid, a student must be qualified to study at the postsecondary level. A student who is enrolled qualifies if he or she has:

- A high school diploma
- A General Education Development (GED) certificate
- Passed the California High School Proficiency Exam (that is recognized as the equivalent to a High School Diploma)
- Completed an approved Home School program

Students who were enrolled in an eligible program of study prior to July 1, 2012 will still be eligible to meet the educational requirements for financial aid by fulfilling one of the following ATB approved requirements:

- Pass a federally approved ATB test; the student must provide proof of passing scores to the SFS.
- Satisfactory completion of six units prior to July 1, 2012 that are applicable toward a degree or certificate offered at RCC. You must meet with the SFS Director to determine if you have completed six units toward your degree or certificate.

Although you cannot receive grants or loan aid while you are earning these units, you may still be eligible for the California College Promise Grant (CCPG). Please refer to the CCPG section for additional information.

Transferring of passing ATB scores: For information on acceptable ATB passing score transfer process, please call the RCC's Assessment specialist at (951) 222-8451 or email at assessment@rcc.edu.

Testing students with disabilities: The requirements include giving the test in a manner that is accessible to disabled students and offering alternative forms of the exam in large print, Braille, and audio cassette formats. The student must provide documentation of the disability to the Disability Resource Center for determination of eligibility for the accommodation and accommodations must be requested 72 hours in advance. The Disability Resource Center's main email and phone number are: drc@rcc.edu and (951) 222-8060 or you can visit their website:

<https://www.rcc.edu/student-support/disability-resources.html>.

Completing your financial aid file on the Financial Aid Online Task Portal

What is it? How do I access it? Tasks and Troubleshooting

The FAFSA application determines your eligibility for various federal, state and institutional grants as well as student work-study and student loans. Your eligibility is based on financial need, number of units you are actively attending and student budget. Remember, the application process is always free! There may be additional applications and/or requirements for each of the programs listed in this guide.

Once you have completed your FAFSA and RCC has received your information from the Department of Education Central Processing Center, our office will send an email to your RCCD student Email account with initial awards and next steps.

You may have additional actions/tasks to complete when the FAFSA application results are received. You will receive an email from financial aid notifying you of these pending actions, with a link to your Financial Aid (FA) Task Portal:

<https://rcc.verifymyfafsa.com>.

You will also see information on your RCC Portal under financial aid indicating that you have financial aid tasks pending.

You may be asked for items such as:

- Verification Web forms (Dependent or Independent)
- 2019 Tax Transcripts or 2019 taxpayer-signed tax returns
- Proof of Citizenship, selective service, identity or high school completion
- Or other documents/tasks needed to complete your file.

In order to complete the financial aid process, for SFS to determine your eligibility for all types of aid at RCC, you will need to submit all of your actions on the FA Task Portal. Financial aid will review your actions and respond with your final eligibility or additional tasks/actions needed directly through your account at

<https://rcc.verifymyfafsa.com>.

Selected CADAA students eligible for the Cal Grant may have to submit documents to verify their financial aid file. Notification will be sent to students in this category via email and mail. All other eligibility notices will be emailed/mailed to the student upon receipt of the CADAA. CADAA applicants must complete the AB540 California Non-Resident Tuition Exemption Request form with Admissions and Records at RCC to qualify for aid offered under this application.

How To Access your FA Task Portal?

Students will need to complete their financial aid tasks on the Financial Aid Task Portal at <https://rcc.verifymyfafsa.com>. Completing all financial aid tasks as soon as possible will allow SFS to determine students' eligibility for all financial aid programs offered at RCC.

To access the Financial aid Task Portal, please complete the following:

1. Log into <https://rcc.verifymyfafsa.com> using your RCCD student email and corresponding password; the login information will match the student's myPortal password.
2. Verify your FAFSA identity information (First and Last Name, Date of Birth, Social Security Number) to create an account.
3. Complete all Financial Aid Tasks listed on the Welcome Screen. Carefully read all instructions published within each listed task before submitting documents (some tasks contain instructions directly from an RCC file processor and are highlighted in red and blue). Required documents and tasks assigned are based on the information provided in the FAFSA application. Additional documentation may be requested based on the answers that students provide in their verification webform. When uploading required documents, please be sure that photo images are clear, text is legible and all pages (front and back, if applicable) of required documents are included. Dependent students may be required to provide a parent signature on their webforms by including a parent email address which will prompt a link to be sent to verify the parent's identity. Once parent identity is verified, parents may follow the Parent Portal instructions to login to the Parent Portal to create a Username and Password to electronically sign documents.
4. When prompted, students will E-Sign documents by creating a 5-digit E-Sign PIN using the links above the text box; parents will sign with their username and password, instead of a PIN. If students prefer to opt-out of the electronic signature, they can download, print and sign the forms manually, before uploading the forms to the FA Task Portal. Either E-sign or original wet signatures may be used however, parent and student signature types must match.
5. It is imperative to click "Submit" when documents are successfully signed and uploaded. Next, always click the green "finish" button to notify your processor that your file is complete. SFS will evaluate student files based on the date all listed tasks are completed. Upon evaluation of a student's file, further documentation may be required. Students will be notified via their RCCD student email.

The FA Task Portal does not contain any information related to students' financial aid eligibility. Eligibility notifications are submitted to RCCD Student email with instructions to view the 2021-22 Award Letter in the financial aid "award letter" section of myPortal at www.rcc.edu.

Troubleshooting

When creating your account on your FA Task Portal at <https://rcc.verifymyfafsa.com>, it is important to use your name and other information requested exactly as you entered it on your FAFSA application. Inconsistent information will result in an error message. Other common reasons why you may get an error when trying to create your FA Task Portal account may include:

- RCC's school code (001270) is not listed on your 2021-22 FAFSA application under the school section.
- The name, birthdate of SSN on your FAFSA does not match the information you are creating your account with.
- RCC has not yet received your FAFSA application results for 2021-22 (usually takes 5-7 days from the FAFSA completion date).

If students and parents require assistance unlocking accounts or submitting documentation onto the FA Task Portal, please contact Student Financial Services at (951) 222-8710 or send an email to studentfinancialservices@rcc.edu.

What is Verification?

The U. S. Department of Education (DOE) requires colleges to verify that the financial and other information entered on the FAFSA provided by students and/or parents is accurate. About one-third of FAFSA applications are selected for verification each year by DOE. Verification of FAFSA data helps Student Financial Services (SFS) to accurately and fairly determine the types and amounts of federal, state, and institutional aid that students receive. SFS has the authority to contact you for documentation that supports the information you reported. In addition, SFS is permitted to select additional students for verification and/or to verify additional data elements. If you are selected for verification you might see a note on your Student Aid Report stating that you have been selected for verification at www.studentaid.gov.

Once FAFSA data is downloaded, SFS will email you at your RCCD student email address. This email will direct you to your FA Task Portal online at <https://rcc.verifymyfafsa.com> to complete/upload all required actions and tasks.

If you are selected for verification, the U.S. Department of Education may require SFS to verify the information such as, but not limited to:

- Adjusted gross income (AGI)
- U.S. income tax paid
- Education credits
- Untaxed IRA distributions
- Untaxed pensions
- IRA deductions and payments
- Tax-exempt interest
- Other untaxed income

- Income earned from work
- Household size
- Number in college
- High school completion status and identity/statement of educational purpose

If you have used the Internal Revenue Service Data Retrieval Tool (IRS DRT) when filling out your FAFSA, and you have not made any changes to your FAFSA since submitting it, you may not have to verify the transferred information. However, you may need to refer to listed tasks on <https://rcc.verifymyfafsa.com> to ensure that all listed verification requirements have been submitted.

If you didn't use the IRS DRT and you're selected for verification, log back in to your FAFSA at www.studentaid.gov to see whether you can use the IRS DRT to fill in the relevant fields on your FAFSA.

If you are not able to utilize the IRS DRT, SFS may require you to submit a tax return transcript as part of the verification process. You can obtain a copy of IRS Tax Return Transcript by:

- Requesting online at www.irs.gov.
- Requesting one by telephone: 800-908-9946
- Mailing in the 4506T form available online at www.irs.gov

Any alternative 2019 income and/or tax documentation may be submitted directly to the FA task portal to be reviewed by SFS. Tax forms that are not issued directly from the IRS must contain the taxpayer's signature.

Notification of Adjustments

After completion of your financial aid tasks in your [FA Task Portal](#), your information will be reviewed and your revised eligibility response will be emailed to your RCCD student email address based on the date of your file submission. To find out when you should be expecting an award notification email, please refer to our disbursement schedule as it is based on the date that all required tasks are completed. Your award letter will be posted on your RCC My Portal at www.rcc.edu in the financial aid section. Always maintain an accurate preferred mailing address and a correct phone number with Admissions & Records to avoid delays in communication. Make updates, if necessary, through your RCC My Portal, under the personal profile section.

Please be aware that the financial aid process takes time. To ensure that the process goes smoothly, it is important to complete your application early and accurately, retain copies of your application and other important documents, and carefully read and respond to all communication received regarding your financial aid application. You must activate your RCCD student email account in order to receive our communications. Please review the section in this guide for more information on your RCCD student email account. If you have trouble with your email, or need assistance, please contact Admissions and Records at (951) 222-8600, or via email at admissionsriverside@rcc.edu.

Keep in mind that financial aid funds are generally not available at the beginning of each semester. Disbursements usually begin approximately 1 week after classes begin, however, not all students receive funds on every disbursement date. Disbursement dates are determined based on student's FAFSA completion date, the date that all required tasks are completed, student's enrollment status and eligibility status. To find out your disbursement date, please refer to our disbursement schedule. Students are encouraged to be prepared to pay for books and supplies out of their own resources. Financial aid is intended to supplement, not replace, resources needed to meet the cost of education.

What is the CA Dream Act Application (CADAA)?

The California Dream Act extends Cal Grant A and Cal Grant B Entitlement awards, Cal Grant C awards, Chafee grants, and institutional financial aid to students that meet AB 540 criteria as well as the applicable criteria for eligibility for specific types of financial aid. The California Dream Act of 2011 became law through the passage of two Assembly Bills, AB 130 and AB 131. AB 130, effective January 1, 2012, allows students who meet AB 540 criteria (California Education Code 68130.5(a)) to apply for and receive privately funded scholarships at California public colleges and universities. RCC students who meet AB 540 criteria may apply for general RCCD Scholarships (see the Scholarship chapter in this guide for more information). AB 131, effective as of the 2013-14 academic year, allows students who meet AB 540 criteria to apply for and receive state funded financial aid such as institutional grants, Cal Grants, Chafee Grants, and the California College Promise Grant, (formerly known as Board of Governors Fee waivers) at California Community Colleges. For more information about AB 131 visit the [CA Dream Act Application website](#) .

You can also find more information on our [website](#) .

*****Students who apply for financial aid using the CADAA, must also complete the AB 540 California Non-Resident Tuition Exemption Request form with Admissions and Records to be considered for any financial aid.**

The AB 540 Non Resident Tuition Exemption Request form can be downloaded from this [web link](#). It should be submitted to the Admissions and Records counter located in the CAK Student Service building, or via email to admissionsriverside@rcc.edu, for review and approval.

Frequently Asked Questions

1) What is AB 540, and what does it have to do with the California Dream Act?

AB 540, passed in 2001, allows students meeting certain criteria to pay the same tuition and fees as resident students at California public colleges and universities. Starting on January 1, 2013, the CA Dream Act extends Cal Grant A and Cal Grant B Entitlement awards, Cal Grant C awards, institutional grants, and CCPG fee waivers to students who meet the criteria. To receive CA Dream Act aid, AB 540 and AB 131 students must meet the criteria listed above in the AB 540 section of this chapter, and submit the AB 540 form to the Admissions and Records counter for approval and apply for the CADAA.

2). I saw that AB 540, AB 130, and AB 131 guarantee confidentiality, but what about my parents' information?

CADAA students without legal immigration status will be required to fill out the CA Student Aid Commission's CADAA Application in lieu of the FAFSA. Like all other dependent Cal Grant applicants, CADAA students will be required to submit parental income and asset information. The demographic information students will provide on the CADAA is largely the same as the information that students have already supplied to their high schools and colleges. There are no checks and matches between the CADAA and any federal databases. CADAA students' and their parents' information are protected by the same privacy and information security laws and safeguards as all other California applicants.

3). I am a high school senior and fit the AB 540 criteria above. What financial aid may I be eligible for?

You may be eligible for:

- AB 540 In-State Tuition Assistance
- AB 130 private scholarships (see your intended college or university for applications and deadlines)
- Institutional grants like the UC "University Grant" or the CSU "State University Grant" (see your intended college or university for applications and deadlines and our scholarship section of this guide)
- California College Promise Grant (formerly known as the Board of Governor's fee waiver). Complete the CA Dream Application online at <https://dream.csac.ca.gov> listing the RCC School Code #00127000
- Cal Grant and other State-administered aid (applications start October 1st of each year). Cal Grant eligible students may also be eligible for the Student Success Completion Grant. You can find out more about these programs in this guide.

4). I am a foster youth, and I don't have a Social Security number or any paperwork about my biological parents. Can I get any financial aid for college?

You may qualify for:

- Chafee Foster Youth aid (See Chafee section of this guide for more information)
- AB 540 in-state tuition assistance
- AB 130 private scholarship aid offered through California public colleges and universities
- CA Dream Act Cal Grants or institutional grants
- California College Promise Grant (formerly known as Board of Governors fee waivers) at California Community Colleges

5). I am currently in college. I am AB 540. What kind of aid can I receive?

You may be eligible for:

- AB 540 In-State Tuition Assistance
- AB 130 private scholarships (see your intended college or university for applications and deadlines)
- Institutional grants like the UC "University Grant", the CSU "State University Grant", the CSU Extended Opportunity Program (EOP) or the CA Community College Extended Opportunity Programs and Services (EOPS) (ask your college or university for applications and deadlines)
- California College Promise Grant (formerly known as the Board of Governor's fee waiver). Complete the CA Dream Application online at <https://dream.csac.ca.gov>, listing the RCC School Code #00127000
- If you are attending a California Community College and plan to transfer to a 4-year institution you may qualify for a Cal Grant A, B or C or the Community College Transfer Entitlement Cal Grant
- If you are enrolled or expect to enroll in a career technical program at your college, you may qualify for a Cal Grant C

6). AB 540 requires that I submit an affidavit to the Admissions and Records counter, what type of information do I have to include in the affidavit?

All students seeking an exemption from non-resident tuition fees must file an affidavit with the student's college stating that the student meets the law's requirements and, if the student is not a U.S. Citizen or legal permanent resident, that the student is either in the process of adjusting his or her immigration status or will do so as soon as he or she is eligible to do so. These affidavits often ask the student to provide information such as the name of the California high school the student attended, the dates of attendance, and the student's name, address, student ID number and signature.

7). Will the college share the information I provide in the affidavit with U.S. Citizenship and Immigration Services (USCIS) or Immigration and Customs Enforcement (ICE)?

No. Under California law, the information you provide in the affidavit must remain confidential.

8). Does it matter how long ago a student graduated from a California high school to be eligible for the AB 540 tuition exemption?

No. The date of high school graduation does not affect a student's eligibility for the AB 540 tuition exemption as long as the student meets AB 540 criteria.

Residency status is determined by Admissions and Records. Student Financial Services is designed to assist qualified students in obtaining grants, scholarships, and federal work-study funds for educational expenses. TYPES OF FEDERAL & STATE FINANCIAL AID

Federal Student Aid

Pell Grant and Lifetime Eligibility Usage Limits

Pell grants are available for students with high financial need. Unlike most federal aid, this grant does not need to be paid back as long as you do not withdraw from classes, you successfully complete your classes and are not simultaneously receiving the Pell grant at another school.

To apply for a Pell grant, submit the FAFSA online at www.studentaid.gov. Eligibility for the Pell grant is determined by a standard formula using information you provide on your FAFSA, your enrollment status and your academic history. Upon completion of the FAFSA you will receive an Expected Family Contribution (EFC) number which is your eligibility number. Your EFC is located on your Student Aid Report (SAR), which you can view at www.studentaid.gov using your FSA ID. The EFC number will determine your eligibility for the Pell grant.

The maximum Pell grant award for the 2021-22 academic year is \$6495.00 (this dollar amount is subject to change pending Federal regulations and availability of funds). Please note the amount of the grant is prorated based on the amount of units you are taking in each semester. Students who have received their Bachelor's degree or higher are not eligible to receive the Pell grant.

Pell Grant Lifetime Eligibility Usage Limits

Students may receive a Pell grant for 12 full time semesters (or 6 years if full time). This equals to 600% total (50% each full time semester x 12 semesters). This percentage includes all Pell grants received to date. Once a student has received their full 600%, they will no longer be eligible for Pell grants.

To review your current Pell Grant Lifetime Eligibility Usage (LEU) percentage, and grant history please visit www.nslds.ed.gov. You can also view the comment section of your student aid report (SAR) online at www.studentaid.gov.

FSEOG Grant

The Federal Supplemental Educational Opportunity Grant (FSEOG) is awarded to undergraduate students with the most financial need. Students with the highest need who are Pell grant eligible for the award year will have primary consideration for FSEOG awards. Nonresident students as well as Study Abroad students may also be eligible. FSEOG funds are limited and are awarded until all funds are exhausted. Having said this, there is no guarantee that all eligible students will receive FSEOG. Listed below are the requirements to be considered:

1. Complete a 2021-22 FAFSA
2. Submit all documents requested by the first priority filing deadline
3. Have high financial need
4. Meet the SFS Satisfactory Academic Progress (SAP) Standard

Federal and CalWORKs Work Study

Federal Work Study

The Federal Work Study (FWS) Program assists students in meeting their educational goals by providing part-time (up to 20 hours per week), entry level employment to help with educational expenses while giving them the opportunity to gain valuable job skills and work ethics. The program also serves as a valuable resource to the community by providing no-cost services to non-profit and government agencies in the surrounding area.

Securing Employment

FWS is a grant offered through the FAFSA financial aid application. The amount awarded is the amount you can earn during a given academic year which is July 1st through June 30th. To receive the grant, a student must secure employment first. On and off-campus positions offered are posted in the summer starting in June and may run until school starts in the fall to secure employees for the entire year. Please note that some positions offered may start in the summer beginning early as July 1st or they may be held until the fall semester. Students have the choice to hold their positions until fall, however, funding must be secured early due to limited availability. Awarding is first-come, first-served.

It is important to make sure your FAFSA application is submitted to RCC and your financial aid file is complete prior to applying for a position. Having an incomplete application or file may disqualify students from the position as determination of eligibility cannot be made. To check to see if the financial aid process is complete, visit the FA portal at <https://rcc.verifymyfafsa.com>.

Once a student applies, eligibility for FWS will be verified and the application forwarded to the employer for review. If chosen, an interview will be scheduled. If hired, paperwork will be completed and submitted to the Student Employment Office for awarding the grant and processing.

Awarding and Payment

Awards for up to \$5,000 are granted, \$2,500 for summer and fall combined, and \$2,500 for winter and spring combined. Divide the award by the pay rate and you get the number of hours a student is allowed to work. It is the employer's and employee's responsibility to make sure employees do not work beyond their awarded hours. Please keep in mind that minimum wage increases to \$15 per hour as of January 1, 2022. Employers or employees may contact the Student Employment Office when the hours are close to be exhausted to inquire about an increase. Increases may be granted if funding is available and the student has allowable financial aid unmet need.

Payment to students comes in the form of earned income from submitting worked hours on a timesheet and paid monthly by means of a paycheck. Students have the option of direct deposit or receiving paper check, however, direct deposit is strongly recommended. Because FWS is earned income, it is susceptible to Federal and State taxes and a W-2 will be issued each year at the end of January.

Student Positions offered for those who do not qualify for Financial Aid

Student employment also offers department-funded positions where financial aid is not required. This funding can also supplement students that exhaust their federal work study hours if available or when the Student Employment Office does not have FWS funding available. Those positions must be available in order to apply or be referred. If the positions are offered online to apply, they are referred to as "Student Employment District Jobs" on the website.

Eligibility mirrors the federal work study positions with the exception the FAFSA and the SAP standard are not required.

International students are only eligible for these positions and are welcome to apply. A current foreign passport, I-94 and I-20 are required.

All student employees must adhere to the Terms and Conditions for Employment. Non-compliance of the Terms and Conditions may result in Termination.

Direct Loans

(Direct Loan Stafford Subsidized Loans or Direct Loan Stafford Unsubsidized Loans)
Federal Direct Loans (DL) are borrowed funds that are different from grants and federal work-study. Direct loans are borrowed funds that must be repaid-with interest. Applying for and receiving student loans is a very serious obligation, so before you apply for a loan, it is a good idea to consider the following:

- Think about the amount you will need to cover your educational expenses.
- Have a thorough understanding of how much your payments will be once your repayment period begins.
- Most of all, be aware of the amount you have to repay over the years.

To qualify for Federal Direct loans, students must meet all of the requirements for federal student financial aid and have their eligibility for all other grants determined first. Federal student loans should be a student's last resource.

RCC offers both subsidized and unsubsidized Federal Direct Stafford loans. These loans are designed to help you achieve your educational goals. Funds will come from the Department of Education DL program. You will repay these loans to the Department of Education DL program or its assigned servicing agent. Please remain in constant contact with your servicer to avoid delays in student loan payment and to ensure successful repayment. To estimate your monthly loan repayment amount and for additional information on student loans, please visit

<https://studentaid.gov/understand-aid/types/loans>.

Subsidized loans are for students who have demonstrated financial need. Each academic year you may borrow up to \$3500 (\$1750 fall, \$1750 spring) as a first-year student (completed less than 30 units at RCCD) or \$4500 (\$2250 fall, \$2250 spring) as a second-year student (completed 30 units or more at RCCD.)

For subsidized loans, the federal government pays the interest during deferment periods while students are enrolled in college at least half-time.

Unsubsidized loans are also based on financial need. Students are responsible for paying the interest on these loans. Interest starts accruing as soon as the loan is disbursed and ends when the loan is paid in full. Students may choose to defer the interest payments while they are enrolled in college at least half-time. RCC recommends that students make interest payments while they are in college.

At RCC, we plan to help students reach their educational goals with the least amount of student loan debt possible. RCC does not recommend borrowing more than \$10,000 at the community college level (this includes loans from any other institution that you have attended). If you have loans from other schools and are unsure of how much you have borrowed, you can view your complete loan history at <https://nslds.ed.gov/npas/index.htm> (National Student Loan Data System) – your FSA ID is required to access this website. (This is the same FSA ID that you would use to fill out your FAFSA online and sign your Master Promissory Note (MPN). To obtain a FSA ID go to <https://fsaid.ed.gov/>.

If RCC entered into an agreement with you (or your parents) regarding a Federal Direct Loan, we are required to inform you (or your parents) that the loan will be submitted to the National Loan Data System (NSLDS) and will be accessible by government agencies, lenders, and institutions determined to be authorized users of the data system.

4. It is required that you are meeting the RCC SFS Satisfactory Academic Progress (SAP) standard. Please refer to the table of contents to review the SFS SAP standard.
5. Submit a copy of a current official full program Student Educational Plan (SEP), dated within one year of your loan request.

6. It is required that you are currently enrolled and attending at least 6 units, on the SEP, that are applicable and required towards your degree.

If you are a repeat student loan borrower at RCC, you are not required to complete the entrance exam or eMPN as you already have one on file. However, it is recommended by RCC that students who are repeat borrowers use the student loan Financial Aid Awareness Counseling Tool (FACT) before continuing to borrow. The eMPN expires after 10 years.

If you meet the above requirements, you may request a loan packet from the SFS counter during the fall and spring semesters within the posted deadlines. Submit the Federal Stafford Loan Request Form along with any other required forms.

After you have turned in your loan request and required documents:

- You will receive a status notification within two weeks from the deadline date you submitted the "Federal Direct Loan Request Form." Please refer to the loan request receipt for the deadline and notification dates.
- All loan disbursements are processed through BankMobile. If you have not already signed up to receive your financial aid funds, you can do so by choosing the "Disbursement" link on our website at <https://www.rcc.edu/become-a-student/how-to-pay-for-school/financial-aid.html>. See the BankMobile section of this guide for additional information.
- ALL students are required to complete Direct Loan EXIT Counseling online at <https://studentaid.gov/understand-aid/types/loans> after completing their program, dropping below half-time, or leaving RCC.
- If your loan is not processed, you will be notified within two weeks from the deadline date you submitted the "Loan Request Form."

Student Loan Alternatives

Before you decide to apply for a loan to fund your education, it is smart to explore other options that don't require repayment! Student Employment is an option for students to work part-time on and off-campus to assist with the cost of educational expenses. Wages are paid directly to you and help pay for college expenses. The best part is you never have to pay this money back! Please review our section on Federal Work-Study before deciding to borrow a student loan or visit the RCC Student Employment counter located in the Student Services Building.

Scholarships are another student loan alternative; you can find and apply for many different types of scholarships on the internet. Some websites to visit are <https://www.rcc.edu/become-a-student/how-to-pay-for-school/scholarships.html>, www.fastweb.com, www.scholarships.com. Personal savings/gifts can also be used to fund your education. These funds can be used to pay for books, student fees, and supplies.

Federal Student Loan Default Management Plan

The RCC Federal Student Loan Default Management Plan expects all students who receive a loan at RCC to complete a Loan Entrance and Exit Counseling session. Students may complete the Loan Entrance and Exit Counseling online at <https://studentaid.gov/understand-aid/types/loans>. Complete the Entrance Counseling when applying and complete the Exit Counseling before leaving the college or falling below half-time.

State of California Aid

California College Promise Grant (CCPG) Formerly the BOG fee waiver

The California College Promise Grant (CCPG) is a state fee waiver program that is specifically for California resident or eligible non-resident students at California community colleges. CCPG waives the per-unit enrollment fee (currently \$46 per unit) at any community college throughout the state. CCPG is for California residents, eligible AB540 students and eligible AB1899 students as determined by the Admissions & Records Office, and eligible AB801 students who have been without a residence in the last 24 months (homeless) as verified by the Student Financial Services office, who are meeting academic and progress standards. For more information on AB1899 and AB801, please visit the Admissions and Records webpage.

CCPG waivers are not a cash award however, the waivers are available to all students who qualify, regardless of the amount of units enrolled and are applied to enrollment fees as a year-round entitlement.

- The CCPG also allows students to purchase parking at reduced rates (\$30) each fall and spring semester.

- The CCPG does not pay for Student Services, Transportation or Health fees, additional class material fees (such as art, CPR, lab, kits or lifeguard fees as listed in the schedule of classes), books or other educational supplies or expenses.

To Apply:

The primary application for CCPG is to complete the 2021-22 FAFSA or 2021-22 California Dream application (CADAA). CCPG will be automatically awarded to eligible students using the information from the FAFSA or CADAA. You can view your award information on your award letter under the financial aid section on RCC My Portal.

The paper CCPG application is considered a secondary application to be used for special circumstances determined on a case-by-case basis. Tax documents are required to verify qualifying income for the paper CCPG application. If the income requirements to complete the paper CCPG application are not met, the student will be required to fill out the FAFSA or CADAA which allows a higher qualifying income for CCPG eligibility.

Student's total income for 2019 or parents' total income for 2019 (for dependent students) must be within the following income standards (documentation is required):

Number in Household	Total 2019 family income

5	\$46,020
6	\$52,740

Loss of Eligibility for California College Promise Grant

A student shall become ineligible for CCPG if the student is placed on academic or progress probation, or any combination thereof, for two consecutive primary terms, resulting in a dismissal status. Loss of eligibility shall become effective at the first registration opportunity after such determination is made.

Students will be notified of their placement on academic or progress probation/dismissal no later than thirty days following the end of the term that resulted in the student's placement on probation. The notification sent to the students will clearly state that two consecutive primary terms of probation will lead to a loss of the CCPG until the student is no longer on probation. The notification will also advise students about the available student support services to assist them in maintaining eligibility.

NOTE: Foster Youth and Former Foster Youth, up to the day before their 26th birthday, are not subject to loss of the CCPG due to placement on academic or progress probation and therefore do not need to submit an appeal.

How to Regain Eligibility:

If you lose your eligibility for CCPG, there are a few ways that you can have it reinstated.

- Improve your GPA and course completion measures to meet the academic and progress standards.
- Stop attending school for two consecutive primary terms (fall/spring), or
- Successful appeal regarding extenuating circumstances.

Appeal Process

Being placed on academic dismissal will result in loss of the CCPG. Any combination of two consecutive terms of cumulative GPA below 2.0 and/or cumulative unit completion of less than 50 percent may result in loss of the fee waiver eligibility. Appeal forms for CCPG are located at the SFS counter and on our website, <https://www.rcc.edu/become-a-student/how-to-pay-for-school/financial-aid.html>. The form can be submitted via email to studentfinancialservices@rcc.edu along with the supporting documentation for the extenuating circumstance.

To Apply for a CCPG Appeal:

1. Complete the appeal form and identify the reason(s) for exception, in a written/typed statement.
2. Attach all related supporting documents to justify the appeal reason(s).
3. Submit the completed appeal form:
 - a. In person to the SFS counter at RCC. A valid photo ID must be presented.
 - b. Via email to studentfinancialservices@rcc.edu. CCPG appeals must be submitted from your RCCD email address and must include supporting documents.
4. Appeal results will be sent to you via your RCCD student email within 2-3 business days. Please make sure your RCCD email is activated.

A student may appeal the loss of a CCPG:

- Due to extenuating circumstances. Extenuating circumstances are verified cases of accidents, illnesses, etc...that occurred during the term the student did not make progress.
- When a student with a disability applied for, but did not receive, a reasonable accommodation in a timely manner.
- Due to circumstances that might include documented changes in the student's economic situation
- When there is evidence that the student was unable to obtain essential student support services.
- Extenuating circumstances also includes special consideration of the specific factors associated with Veterans, CalWORKs, EOPS, and DSPS student status.

availability. Priority applicants will be ranked by an established predetermined criteria. Eligible applicants on the first-come, first-serve list will be accepted based on their eligibility date and funding availability. As students go on Leave of Absences, graduate, or do not attend and are withdrawn, we take the funds they would have used and allocate them to the next eligible applicant. Because of all of the factors involved, we cannot guess when applicants will be offered an award. The earliest that we will begin to make award announcements is October. Awardees will be notified of acceptance by e-mail.

RCCD Foundation Scholarships

The Riverside Community College District (RCCD) Foundation offers campus-based scholarships for students continuing their education at Riverside City College (RCC), transferring to a four-year university and incoming high school seniors. Students tend to have greater odds in being selected for these scholarships since they are specifically geared for our RCC students. Our scholarships are diversified and typically based on general and/or donor criteria including:

- GPA
- Academic merit
- Financial need
- Military status
- Academic Pathway
- Volunteer work

The RCC Foundation Scholarship Application

The online scholarship application for the next academic year is available every fall semester in mid-October. Once you submit your application, our scholarship system matches you with scholarship opportunities the best aligns with your qualifications.

To apply:

- To apply and submit your scholarship application, visit the [RCC Student Financial Services \(SFS\)](#) website select **RCCD Foundation Scholarship** to direct you to the scholarship application system.
- Sign up or Sign in using your RCC activated and assigned student email. Please note, you must be admitted to RCC to be able to apply.

RCC Scholarship workshops: Our scholarship workshops are held throughout the scholarship application period until the deadline. They are offered in-person or virtually and are a great resource to assist student with information on how to complete the scholarship application, respond to the required personal essay questions and obtaining scholarship recommendations.

High School Scholarships

Scholarships specifically for high school seniors who plan to attend RCCD become available early in the spring semester. You must have an activated RCC assigned student email to apply. Please visit [RCC Student Financial Services \(SFS\) website](#), for additional instructions or select **RCCD Foundation Scholarship** to direct you to the scholarship application.

Outside RCCD Scholarships

There are many other opportunities for students to find scholarships outside of RCC. Searching for scholarships requires time and diligence, but is well worth the effort. The RCC SFS Office receives scholarship notices periodically from outside, off-campus sources such as civic organizations, clubs, associations, businesses, etc. Scholarship notices are posted at the Information Counter in the CAK Student Services building and on the [SFS Scholarship webpage](#) by selecting the **Search Outside Scholarship** link, click on the *Opportunities* tab on the left hand side to view all current available outside scholarships.

You may also search for scholarships on the internet; however, beware of sites requesting fees for their services. Most scholarships are free to apply for, so if you see one that is requesting fees for their services, please be aware and do more research before you enter any information. Search engines, such as Google, are another tool available to you for finding scholarships. However, you'll need to develop a strategy to narrow down your search.

Refining your searches in Google can be done in a few steps:

- Pick a characteristic about yourself that you'd want to find a scholarship about.
- What do you want to study?
- What are your passions?
- What are your hobbies?

By narrowing down what you are searching for, you'll find pages of scholarships that you can apply for.

Another great source for applying for outside scholarships is The Scholarship Search Secrets Guide available at www.studentscholarshipsearch.com.

Scholarships are also available from other sources such as your college or local library, your parent's or your employers, community organizations, etc. Ask around for scholarship opportunities, and check out your local community newspapers/bulletins for postings as well because you never know what is out there.

If you are awarded a scholarship from a source outside of RCC, the procedures to use your scholarship at RCC are as follows:

1. The organization or donor providing the scholarship will contact you if they have chosen you as the recipient of their scholarship.
2. Follow the donor's directions for the steps to have your scholarship funds sent to RCC. If proof of enrollment is required, you may submit your printed class schedule from RCC My Portal, or, if they are requesting "official" proof of enrollment, visit the RCC Admissions and Records counter, or contact them via email at admissionsriverside@rcc.edu
3. Please send all external scholarship checks to:
 - a. Riverside City College
Attn: – Student Financial Services
4800 Magnolia Ave.
Riverside, CA 92506

The check should include your name and student ID # on the check memo line. The donor should also note the term for which the funds should be applied and any enrollment requirements.

4. Once RCC receives your scholarship funds, you will be sent an email correspondence from the RCC Student Financial Services Office acknowledging receipt of the funds along with a schedule of disbursement dates to your RCCD student email.
5. Once the SFS Office determines you are actively enrolled in classes and that you meet all requirements of the donor, your scholarship funds will be disbursed to you via the disbursement choice you made on the Bank Mobile website (please see the information regarding Bank Mobile in this guide).
6. Students who receive the Governor's Scholarship Program: you may access your scholarship funds by completing the Qualified Withdrawal Form and submitting it to the Governor's Scholarship Program. The Qualified Withdrawal Form is available at www.cagovernorsscholars.org. For help in filling out the form, call 1-866-477-9665.

How to avoid Scholarship Scams

There is no shortage of scams when it comes to paying for college and spotting them can save you money. Any scholarship, grant, foundation, or organization that is legitimate will not ask for you to pay anything to apply or for information. Any of the signs below should be a red flag that you may be dealing with a scholarship scam:

- **Asking for money:** Reputable scholarships are free and will not charge you to apply.
- **Asking for non-relevant personal information:** Scams using identity theft ask for personal information typically not relevant to a scholarship. NEVER provide any of the following information:
 - Bank account numbers
 - Social Security numbers
 - Debit or Credit card information

- **Claims of exclusivity:** A fair number of scams make the claim that their information cannot be found anywhere else, and therefore you should pay for their services. Do not pay for exclusive information.
- **Claims of guarantees:** The truth of scholarship hunting is that there are no guarantees. No one can guarantee that you will be awarded a scholarship and any company advertising a paid service making such a claim is likely a scam.
- **Financial aid seminars with an up sell:** These seminars typically promise great financial aid information, but end with a hard sales pitch to attend a future paid seminar, buy books, DVDs, or other materials. There are plenty of free financial aid seminars offered by high schools and colleges that are worth attending. *Check with your guidance office or financial aid office for details on those seminars or workshops.*
- **Unsolicited Awards:** Receiving a scholarship check via mail or email notifications of potential scholarship or grant awards you won but never applied for: Scholarships are in such demand that no awarding agency needs to make unsolicited awards to recipients.

If something feels, sounds, or seems “fishy”, it probably is. The most important thing you can do when it comes to scholarship scams is to trust your instincts.

AmeriCorps

AmeriCorps is a national service program whose mission is to meet community needs through service, volunteering in education, environmental, public safety, health, and homeland security. Most volunteers serve in full/part-time positions for about a year.

After successfully completing a term of service through the AmeriCorps National Service program, members receive a Segal AmeriCorps Education Award to pay for college, graduate school or to pay back qualified student loans.

For more information on how to become a member of the AmeriCorps National Service and the AmeriCorps Education Award, please visit

<https://www.nationalservice.gov/programs/ameri-corps>

If you have earned an AmeriCorps Education Award, and wish to use your award at Riverside City College (RCC):

- You must complete the current FAFSA and be enrolled in classes at RCC.
- You must complete the AmeriCorps Voucher and Payment Request electronically at <https://my.americorps.gov/mp/login.do> to request AmeriCorps Education Award funds be sent to RCC.
- The RCC SFS office will verify that you are eligible to receive and use the AmeriCorps award at RCC.

Once approved, the AmeriCorps award funds will be sent to RCC in approximately two to four weeks. You will be emailed notification to your RCC student email account that RCC has received your AmeriCorps funds. The RCC SFS office will verify that you are enrolled in classes and disburse the AmeriCorps funds in the same manner as other financial aid. See the Bank Mobile chapter in this guide for more information on how to receive your AmeriCorps funds.

FACTORS THAT CAN AFFECT YOUR ELIGIBILITY

Citizenship

The U.S. Department of Education performs matches against the FAFSA application to verify a student's Citizenship status with the U.S. Citizenship and Immigration Services (USCIS) and the Social Security Administration (SSA). These matches are performed to verify eligibility for financial aid programs. A student must submit documentation to the Student Financial Services office to confirm citizenship or immigration status if this information is requested on your financial aid task list at <https://rcc.verifymyfafsa.com>. Some of the documents that may be submitted to confirm citizenship are: a copy of the student's Certificate of Birth, Certificate of Citizenship, a copy of Form FS-240 (consular Report of Birth Abroad), FS-545 (Certificate of Birth Issued by Foreign Service Post) or 1350 (Certificate of Report of Birth) which are State Department documents, an original valid U.S. Passport or Passport Card, or an original Certificate of Naturalization. Some of the documents that may be submitted to verify immigration status are: an original Alien Registration Card, I-551, or I-94 Stamp. All documents submitted to verify immigration status must be current and active. Citizenship status information must be submitted each year that it is requested. For more information on acceptable documentation of citizenship status please contact Student Financial Services at (951) 222-8710.

U.S. Citizenship and Immigration Services (USCIS) is the government agency that oversees lawful immigration to the United States. For information go to www.uscis.gov or contact the National Customer Service Center (NCSC) at 1-800-375-5283 (or 1-800-767-1833 TDD for the hearing impaired).

Selective Service

Students who are required to register with the Selective Service System must do so to be eligible for Federal and State student aid funds.

Who is required to register?

Almost all male U.S. citizens and male aliens living in the U.S., who are 18 through 25 years of age, are required to register with Selective Service.

How do I know if I need to register?

Your FAFSA Student Aid Report will indicate that your Selective Service status must be confirmed or that you have not registered with Selective Service. You may also receive a letter regarding this requirement for the Cal Grant.

How can I register?

- Online –register at www.sss.gov.
- U.S. Post Office -complete the Selective Service “mail-back” form, affix postage and mail to Selective Service.
- FAFSA–check “Yes” on the Selective Service box and the Department of Education will provide Selective Service with the information to register you.

If you did not register with Selective Service, and because of your age can no longer register (26 years and older), you must provide the SFS office with the following:

- Documentation of your status from Selective Service.
- Please visit www.sss.gov, click on “MEN BORN BEFORE 1960” and then select “Request for Status Information Letter.” Download and submit it to the indicated address. A response letter will be mailed to your from the Selective Service office. This must be submitted to the SFS counter.
- A personal letter indicating why you failed to register. Submit the response from Selective Service along with your personal letter to the SFS counter for approval by the Financial Aid Director. To receive documentation or additional information regarding your Selective Service registration status, you may visit the website at www.sss.gov or call (847)-688-6888

Drug-Related Convictions

Students who are convicted of a federal or state offense of selling or possessing illegal drugs (excluding alcohol or tobacco) while receiving federal financial aid should complete and submit the FAFSA because they may be eligible for federal and/or state financial aid. Students who complete the FAFSA and answer “Yes” to question 23 will immediately receive a series of questions to determine their eligibility. Past convictions are not an automatic disqualification for federal student assistance. You should still complete and submit your FAFSA, answer the drug question, and complete the drug conviction worksheet. Your eligibility will be determined at the time of application. If you are convicted of possession or distribution of drugs after you submit your FAFSA you must notify our office immediately. Students convicted of the sale or possession of illegal drugs may have federal student aid eligibility suspended if such offenses occurred while receiving federal student aid such as grants, loans, and/or work study. Affected students may regain eligibility by successfully completing an approved drug rehabilitation program.

If you have questions about the law or about your eligibility for federal student aid you may call the Federal Student Aid Information Center at 1-800-4-FED-AID (1-800-433-3243). Your information is confidential and you will remain anonymous. More information is also available at www.studentaid.gov.

It is the mission of RCC to provide a drug-free academic environment for our students that maximizes academic achievement and personal growth. The college recognizes that any type of substance abuse poses a significant threat to the health, safety, and well-being of users and the people around them. Students can seek help

through the Student Health Services Center. Health professionals provide confidential assistance for students with alcohol or drug-related problems including crisis intervention, education programs, and referrals. You may contact the Student Health & Psychological Services Center at (951) 222-8151 or visit our webpage for additional information at <https://www.rcc.edu/student-support/health-wellness.html> or visit the Health Services office located in the Bradshaw building.

SATISFACTORY ACADEMIC PROGRESS STANDARD (SAP)

The United States Department of Education requires that students applying for financial assistance must be enrolled in a program for the purpose of completing an AA/AS Degree, transfer requirements, or certificate program. All students must have their academic progress reviewed to determine if Satisfactory Academic Progress (SAP) has been achieved. The government requires that students who apply for financial assistance meet two standards.

Qualitative Standard

All students at Riverside Community College District (RCCD) must have a Cumulative Grade Point Average (GPA) of 2.0.

Quantitative Standard

All students must complete a certain percentage of units attempted in order to make progress toward their goal. There are two parts to this standard:

1. **Pace of progression:** Students must complete at least 67% of the total (cumulative) units attempted. For example, a student has attempted 20 units at Riverside City College. They successfully completed 13.5 of those units. Their completion would be 67.5% (units completed divided by units attempted equals completion percentage– $13.5 \div 20 = 67.5\%$).
2. **Maximum Time Frame:** The Maximum Time Frame for completion of a degree or certificate is 150% of the published length of the program. All units attempted at RCCD will be included since the Maximum Time Frame is based upon units attempted. A student can receive financial assistance for a maximum of 150% of the published length of the program. For example, if the published length of a degree program is 60 units, the student may receive financial assistance for up to 90 attempted units ($60 \text{ units} \times 150\% = 90 \text{ units}$). If the published length of a certificate program is 40 units, the student may receive financial assistance up to 60 attempted units ($40 \text{ units} \times 150\% = 60 \text{ units}$). If students are unable to finish their program within the Maximum Time Frame, as explained, they may lose eligibility for Title IV aid.

Evaluation

All students will be evaluated at the end of each semester to determine if they are meeting the standards listed above.

*If you have attempted less than 12 units at RCCD, then you will be required to maintain a 1.5 Cumulative GPA and must complete 50% of the courses you attempt to maintain SAP. Once you have attempted 12 or more units, you will be held to the standard as explained above.

Grade Standards

All semester units at RCCD include:

- Attempted units include: A, B, C, D, F, CR, P, NC, NP, FW, W, I, IB, IC, ID, IF
- Completed units are units with a grade of: A, B, C, D, CR, P
- Transfer credits from other institutions will be in the SAP calculation.

Courses in which a student receives a grade of F, NC, NP, FW, W, I, IB, IC, ID and/or IF will not be counted as completed units for satisfactory academic progress purposes, but will be counted as attempted units.

Only practicum/labs that are required, recommended or academically beneficial should be taken at the same time as the corresponding course.

Repeated Courses

Repeated course units will be counted in the pace of progression calculation as attempted units. When courses are repeated, only the earned units associated with the higher grade will be counted in the pace of progression calculation as completed units. If both grades are equal, only the earned units from the earlier course will be included as completed units in the pace of progression calculation.

Adding and/or dropping units after the first disbursement will require a review and possible adjustment of any future disbursements. SFS follows all Title IV regulations in relation to financial assistance for repeated courses and IP grades.

SAP Statuses

SAP Satisfactory (SA): A student is meeting Satisfactory Academic Progress as long as the student maintains a cumulative GPA of 2.0 (Qualitative Standard), a completion percentage rate of 67% (Quantitative Standard) and the student has not exceeded the Maximum Time Frame of their selected program of study (Quantitative Standard).

SAP Warning (WA): Students failing to meet SAP will be placed on a one semester "Warning" which will allow students to receive financial assistance even though they are not meeting the SAP standard. If after the "Warning" semester students are still not meeting the SAP standard, they will become **Ineligible**. (Students who have exceeded the 150% Maximum Time Frame do not receive a Warning semester)

SAP Warning Students' Responsibilities

Students on Warning Status are encouraged to meet with a Counselor to complete an official and current two year Academic Plan (AP)/Student Educational Plan (SEP)/Academic Evaluation (AE) on file (within the last year). To schedule an appointment to meet with an Academic Counselor to complete an SEP, please contact Riverside City College's Counseling Department at (951) 222-8440. Students on financial aid Warning status will continue to receive certain types of financial assistance during the Warning period. Warning status students must improve their academic standing. Students who do not meet the SAP standards after their Warning period will be declared Ineligible for financial assistance.

SAP Ineligible (IN): A student can become Ineligible for two reasons:

- 1) Student failed to meet SAP standards after their "Warning" semester and/or
- 2) Student exceeds the 150% Maximum Time Frame of program of study under the quantitative standard.

Appeal Process

Students on a SAP Ineligible status can **Appeal ONLY ONCE** during their lifetime at RCCD. **Note: If a student becomes Appeal Ineligible for any reason, the student WILL NOT be ALLOWED to Appeal again.**

Appealing due to not meeting the GPA and/or Pace of Progression Standard:

In order to appeal, the student must have extenuating circumstances that occurred during the period that the student did not meet SAP. To appeal, the student must document the circumstance for not meeting SAP and must submit official documentation online via the FA portal at <https://rcc.verifymyfafsa.com>.

Some examples of Extenuating Circumstances that must be supported by providing official documentation may include:

- Death of an immediate family member, documented illness, major accident or injury of your- self or an immediate family member
- Victim of a crime
- Homelessness

Steps to appeal online at <https://rcc.verifymyfafsa.com> include:

- SAP Appeal web form with a statement of the Extenuating Circumstance
- Official 3rd Party documentation verifying the student's extenuating circumstances (i.e. court documents, police reports, medical records, doctor's note, death certificate...)
- Official two year Academic Plan/Student Educational Plan/Academic Evaluation (current within the last year)
- Proof of Completed SAP Online Appeal Session (Completion Certificate or Email Confirmation)
- Download, sign and upload the Probation Contract

***NOTE:** In order for a two year Academic Plan/Student Education Plan/Academic Evaluation to be official, official transcripts from **ALL** previously attended colleges or universities must be on file at Riverside Community College District. If a student's official transcripts are not on file, then the student's two year Academic Plan/Student Educational Plan/Academic Evaluation is invalid.

***Riverside City College Catalog:** Students planning to graduate from Riverside City College, or needing to use courses from another college/university as a prerequisite, must submit all official transcripts to Riverside Community College District. See

Graduation Requirements in this catalog for further information on course acceptance from other institutions.

This is why **All Official Transcripts** from previously attended colleges or universities must be received at RCCD in order for a Counselor to complete an **official two year Student Educational/ Academic Plan** that will be accepted for your financial aid appeal.

Appealing due to exceeding Maximum Time Frame Only:

Students who have exceeded the Maximum Time Frame must have one of the following valid reasons:

- One time change of major or goal after student has completed one major/goal.
- Returned for a second goal
- Completed ESL courses (ESL 51, 52, 53, 54, 55, 71, 72, 73, 91, 92, 93...)
- Completed Basic Skills courses (ENG 60A, 60B, MAT 50, 51, 63, 64, 65, REA 81, 82, 83) Note: MAT 52 if student started classes the fall 2011 semester or later.
- High unit majors (Nursing, Vocational Nursing...)
- High unit transfer majors (Math, Biology, Chemistry, Physics, Computer Science, Engineering...)
- Completed Military or AP courses/credit

Steps to appeal online at <https://rcc.verifymyfafsa.com> include:

- SAP Appeal web form with a statement explaining the valid reason for exceeding the Maximum Time Frame
- Official two year Academic Plan/Student Educational Plan/Academic Evaluation (current within the last year)
- Proof of Completed SAP Online Appeal Session (Completion Certificate or Email Confirmation)
- Download, sign and upload the Probation Contract
- For the 3rd party documentation: upload your Student Educational Plan

NOTE: Submission of an appeal does not guarantee that a student will regain financial aid eligibility. After reviewing the appeal, the Student Financial Services Office will render a decision, and the student will be notified in writing of the decision. Students must submit their appeal to RCC only. Each student who is approved for a “probationary” period must have an **official Academic Plan/Student Educational Plan/ Academic Evaluation** developed, which will outline the courses for which the student may receive financial aid.

SAP Probation (PE): Students will be placed on Financial Aid “Probation Status” only if their appeal of Ineligible status is approved. Students on Probation must meet the SAP standard each semester beginning with the semester of approval in order to maintain their Probation Status. If students fail to meet SAP while in a Financial Aid Probation Status, they will become Ineligible to receive financial aid until they bring their SAP up to Qualitative Standard of 2.0 GPA and Pace of Progression of 67% completion rate prior to exceeding the Maximum Time Frame.

Approved Class List

Probation students will only receive financial aid for courses that are listed on their Approved Class List (ACL) which is created from the student's Educational Plan. If an appeal is submitted late in the academic year and approved, funding will only be disbursed for the semester in which they were approved and forward. Eligibility for federal, state and institutional eligibility will be determined after the appeal has been approved and the appeal contract received. No retroactive disbursements will be made.

COURSE INFORMATION

How Course Selection Can Affect Eligibility

Important Notice Regarding Approved Courses

Not all courses/programs at RCCD have been approved by the Department of Education for Federal and/or State financial aid funding. Please visit the SFS counter for a list of courses that are not approved for financial aid payments. If you enroll in any of the courses on this list, you will not receive payment of any Federal and/or State financial aid.

Repeat Course Information

Due to changes in the Federal Title IV regulations, starting on July 1, 2011, RCCD is now required to look at the number of times a student attempts a course when determining financial aid eligibility. If you receive a passing grade (A,B,C,D,P) in a course at any point in your academic history at RCCD (Riverside City College, Moreno Valley College, Norco College), you will only be eligible to receive financial aid for that course one additional time (one repeat). If you attempt a course for the third time after previously receiving a passing grade in that course, you will no longer be eligible for payment for those units.

Repeated course units will be counted in the pace of progression calculation as attempted units. When courses are repeated, only the earned units associated with the higher grade will be counted in the pace of progression calculation as completed units. If both grades are equal, only the earned units from the earlier course will be included as completed units in the pace of progression calculation.

For example, if you take a 3 unit math class (math 1) in fall and receive a passing grade (A, B, C, D, P), that is your first attempt. If you re-take that same 3 unit math class (math 101) in spring, you will continue to be eligible for financial aid for that course, because it is your second attempt. If you attempt a third time to take the same 3 unit math class (math 101) in summer or beyond, you will no longer be eligible to receive financial aid for those 3 units.

Fall	3 unit math class (math 1)	eligible for financial aid, received passing grade
Spring	3 unit math class (math 1)	eligible for financial aid
Next Term	3 unit math class (math 1)	no longer eligible for financial aid for that class

****Note:** Students may repeat courses under the courses Repetition Policy, however students must check with financial aid to see how repeating courses may affect eligibility.

How Dropping Courses Can Affect Eligibility

What Happens If I Drop Some of My Courses after Receiving My Financial Aid

If possible a student's final grant disbursement of the semester may be adjusted for changes in enrollment due to dropping a class. However, if the student drops a units after receiving the first grant disbursement, the student **MAY** be required to repay a portion or all of the grant. For example:

- If a student starts the semester with 12 units, is paid full-time on the first disbursement and then drops to 6 units, they will not receive ANY second payment, since the student would have already been paid the equivalent of half-time for the entire semester.
- If a student starts the semester with 12 or more units, is paid full-time on the first disbursement and then drops to 9 to 11.5 units, they may receive an adjusted final disbursement based on three-quarter time enrollment for the entire semester based on eligibility.
- If a student starts the semester with 12 or more units, is paid full-time on the first disbursement and then drops below 6 units, they will not receive an additional disbursement and **WILL** owe a portion (or all) of the grant back.

Based on the submitted FAFSA some students need to be in a certain amount of units to be eligible for a disbursement. If the student drops below the units that they are eligible for they may owe ALL of the amount disbursed back when they have reduced units, for example:

- If a student starts the semester with 12 units, is paid full-time on the first disbursement, is only eligible for grants at full time (12+ units), then drops to 9 units, the student now owes ALL of the grant amount that was disbursed because they have to be in 12 units or more to be eligible for the grant.
- If a student starts the semester with 9 units, is paid $\frac{3}{4}$ time, is only eligible for grants at $\frac{3}{4}$ time (9 to 11.5 units) then drops to 6 units, the student now owes ALL of the grant amount that was disbursed because they have to be in 9 to 11.5 units to be eligible for the grant.
- If a student starts the semester with 6 units, is paid $\frac{1}{2}$ time, is only eligible for grants at $\frac{1}{2}$ time (6 to 8.5 units) then drops to 3 units, the student now owes ALL of the grant amount that was disbursed because they have to be in 6 to 8.5 units to be eligible for the grant.

*If you have to drop a classes after receiving grant funds to attend that classes, be sure to contact the SFS Office to see how that reduction in units will affect your Financial Aid account and if you will owe a portion or all of the funds back.

What Happens If I Drop All of My Courses

Any student who withdraws from all of their classes, are dropped by all of their instructors, or receives all FW/W grades for the semester may be subject to repayment of federal financial aid funds including the Federal Pell Grant, FSEOG grant, and Direct Loans. This is referred to as Return of Title IV funds (R2T4).

For Cal Grant, the enrollment status for each recipient must be determined according to the recipient's attendance at the time funds are paid to the recipient or credited to the recipient's account, pending adjustments to units. Adjustments may be made to the award of a recipient at any time during the term. Cal Grant adjustments or returns will not be made for a reduced unit load or total withdraws that occur after census. When making a payment for a term that has ended, the institution must base the attendance status on the number of units completed for the term.

If you received Federal grant and/or loan funds and withdrew from school before completing 60% of the semester successfully, the amount of grant or loan funds you earned must be determined.

- If the amount of funds disbursed to you is greater than the amount of funds you actually earned, those unearned funds must be returned.
- If the amount of funds disbursed to you is less than the amount of funds you actually earned, you may be eligible to receive a post-withdrawal disbursement of those earned funds not yet received.

The SFS office is required to calculate how much aid you earned during the semester, based on the final date you withdrew and will notify you of any repayment due to the school or any post-withdrawal disbursement due to you. Please note that if you totally withdraw after 60% of the semester has passed, you will not owe any repayment of federal funds.

Your withdrawal date is determined in one of the following ways:

- The date you dropped your last class in the Admissions and Records office or on My Portal at www.rcc.edu
- The midpoint of the semester if you did not officially withdraw and received all FW grades (combination of all FW and/or W grades)
- The date posted by the instructor indicating your last date of attendance in class

Example of withdrawal calculation

You received \$1179 Pell grant and could have received an additional \$1178 if you had finished the semester, equaling a total award of \$2357 for the semester. There are 117 days in the semester and you withdrew on the 17th day. You earned 14.5% of your grant ($17 \div 117 = 14.5\%$).

The SFS office will calculate what you earned and did not earn:

$\$1179 \text{ grant money received} + \$1178 \text{ you could have received} = \$2357 \times 14.5\% = \$341.77 \text{ earned}$

$\$1179 \text{ grant money received} - \$341.77 \text{ earned aid} = \$837.23 \text{ unearned aid (85.5\%)}$

- School Portion of the calculation

An additional portion of the grant must be repaid by the college based on your total institutional charges at the time you withdrew

For Example, you took 12 units for the semester at \$20 per unit. Your total institutional charges = \$240

$\$240 \times 85.5\% \text{ (unearned)} = \205.20 the college has to pay back to the federal program within 45 days of determination and you will have to repay to the college.

- Student Portion of the calculation

You will have to pay back the unearned amount minus 50% of the total aid that was disbursed and aid that could have been disbursed

$\$837.23 \text{ unearned aid} - \$205.20 \text{ that the college returns} = \632.03 which is the initial amount of unearned aid due from you.

$\$2357 \text{ total aid disbursed/could have been disbursed} \times 50\% = \1178.50 .

$\$632.03 - \$1178.50 = \$0$ you have to pay back to the federal grant program.

★ Total amount the student has to repay = \$205.20 to your home college (RCC, MVC or NC) for the college portion that had to be returned

★ If you earned more than you were paid: You will receive a notice of your potential "post withdrawal disbursement" in the mail. This will be automatically disbursed to you unless you choose to cancel the disbursement. More information will be provided in the letter you receive if eligible.

If you are required to repay funds back to the school, you will have 45 days from the date you are notified to repay the amount owed in full. On the day after the deadline, if the amount due has not been paid in full, you will be reported in an overpayment status to the Department of Education and you will not be able to receive financial aid at any school until the overpayment has been resolved.

If your home college (RCC, MVC, NC) is required to return funds based on your Return to Title IV calculation, you will be billed the colleges portion to be paid directly to that college. Should you fail to repay these funds by the required deadlines, there will be a hold placed on your RCCD records, you will not be able to enroll in future classes and you will not be able to receive official transcripts from RCCD.

The order in which Federal funds are returned to the Department of Education are as follows: 1. Federal Unsubsidized Loan 2. Federal Subsidized Loan 3. Federal PELL Grant 4. Federal Supplemental Educational Grant

****Note that Federal Work Study earnings (FWS) are excluded from the calculation. Direct Loan recipients must contact the Direct Loan program for additional repayment arrangements.**

HOW CHANGES IN ELIGIBILITY CAN AFFECT YOUR FINANCIAL AID

Grant Over Awards and Overpayments

Whenever a student's award amount needs to be adjusted due to a change in the student's eligibility, the student may owe some or all of the funds received. This is referred to as an overaward/overpayment.

An overaward/overpayment can be caused but not limited to, the following reasons:

- Withdrawal from classes after receiving a disbursement
- A change to the student's FAFSA information
- A change in the student's financial assistance package due to an extension to work-study employment
- A change in the student's financial assistance package due to the awarding of a scholarship or grant from an outside organization
- Failing to attend classes for at least one day

These reasons may result in adjustments to a student's financial aid award, causing their financial aid package to exceed their financial need. The financial need is determined by the student's FAFSA.

The student's financial aid award cannot exceed their financial need or the school may take steps to resolve the overaward. Adjustments may include updates to a student's financial aid package and future disbursements or request of repayment of disbursed awards.

When requesting payment from the student, the student will be notified by mail that they are in overaward/overpayment. The overaward/overpayment needs to be repaid as soon as possible or by the due date on the letter. Failure to repay the overaward/overpayment may lead to a hold on all of the student's records at RCCD and the student may be unable to register for future classes and their eligibility for future financial assistance from any educational institution may be affected until they resolve this matter.

Please note:

- Before dropping a classes a student should contact the Student Financial Services Office to see how dropping may affect their financial aid.
- Dropping and/or withdrawing from classes may affect your SAP (Satisfactory Academic Progress. Please see the SAP section in our Consumer Guide for more information.

The first step in applying for Financial Aid is filling out the FAFSA on <https://studentaid.gov/h/apply-for-aid/fafsa>. When RCC receives your FAFSA information we will communicate to you through your RCC e-mail that your FAFSA was received and we will let you know if you have Financial Aid tasks to complete with our office. Our office works by deadlines. Once we receive your FAFSA if you do not have any Financial Aid tasks to complete your file will be processed with the deadline in which your FAFSA was received in. If you have Financial Aid tasks to complete, your file won't be put into a deadline until ALL tasks are complete. For deadlines and disbursement schedules please visit our website at:

Financial Aid Disbursement Methods

It is important that your **preferred mailing address** is current to avoid delays in receiving your Financial Aid funds.

RCC disburses financial aid to eligible RCC students via BankMobile Disbursements. 2-3 weeks after all Financial Aid Tasks are completed online, you will receive a green welcome packet from BankMobile in the mail containing a personal code, and you will receive an email from BankMobile to your RCCD student email account with a personal code. The personal code will grant you access to the BankMobile system so that you can choose how you want to receive your disbursement, if eligible.

Important!

Look for this in the mail, and follow the instructions inside.

Be sure to follow the instructions to select **one** of the following disbursement options:

- Direct Deposit to your own personal account.** Takes 1-3 business days for the receiving bank to credit your account.
- Direct Deposit to a BankMobile Vibe Account.** Funds are credited the same business day in the afternoon.
- Paper Check** mailed the same business day, takes about 5-7 business days for the check to arrive to your preferred mailing address.

Receipt of a green welcome envelope **does not** indicate a student's eligibility for financial aid. Follow the tables on the reverse side, and check WebAdvisor and your RCCD student email to verify eligibility.

For more information on disbursement options, visit our website at: <https://www.rcc.edu/become-a-student/how-to-pay-for-school/financial-aid.html>

BankMobile Disbursements

RCC disburses financial aid funds to eligible RCC students via BankMobile Disbursements, a technology solution, powered by BMTX, Inc. Visit this link for more information: <https://bankmobiledisbursements.com/refundchoices/>.

BankMobile Disbursements offers 3 disbursement options and students have a **"CHOICE"** on how they would like to receive their financial aid funds, if eligible.

The disbursement options are:

1. Direct Deposit (ACH) or
2. Deposit onto a debit card thru "BankMobile Vibe Checking Account" or
3. Paper Check

All students **MUST** make a selection in order to avoid delay in their scheduled disbursement.

A "Green Disbursement Selection Packet" from BankMobile Disbursements will be mailed to the students who complete their FAFSA and complete the necessary paperwork to complete their financial aid file. The packet will include a personal code that the student will use to set up their account with BankMobile Disbursements at www.RefundSelection.com and choose their disbursement method. Receiving the Green Disbursement Selection Packet does not indicate eligibility.

The Personal Code inside the Green Disbursement Selection Packet will be your key for entry into the BankMobile Disbursements system. The personal code will also be emailed to the student. With it, you can choose how you want your disbursement delivered, if eligible. Information is contained in the system to authenticate you as a user, making it is easy to select your disbursement option. Once you receive the Green Disbursement Selection Packet with the Personal Code (or receive the personal code by email) you will need to:

1. Go to www.RefundSelection.com.
2. Enter your unique Personal Code from the green envelope or email. If you do not have a code click on "Need a Code" enter "Riverside Community College District," enter your "Student ID" number (not the letters just the numbers) and enter your student "rccd.edu" email address. A personal code will be given to you from BankMobile Disbursements.
3. Create your login information.
4. Select how you would like to receive your disbursement, if eligible.
5. Complete your profile.

You can change your disbursement option at any time by logging into your account on www.RefundSelection.com and selecting another disbursement option in BankMobile Disbursements website.

If you have activated your account, have chosen the BankMobile Vibe Card and lose your BankMobile Vibe card you will be responsible for the replacement charge that BankMobile Disbursements charges to replace your card.

If you have a BankMobile Disbursements account at another School, that account is not valid at RCC, you need to create an account with BankMobile Disbursements for RCC.

Additional Information about Your Disbursement

Please read the following BEFORE you accept the disbursement:

The California College Promise Grant (CCPG) and EOPS Book assistance are financial resources available to help you meet your educational expenses and may appear on your award letter. These are not cash awards. If you have already paid your fees, you may be eligible for a refund. You must contact the Student Accounts Office at 951-222-8604 to see if you are eligible for refund.

You will only be paid for classes you are actively attending and that are eligible for grant and/or loan funding.

If you dropped a class or classes, received Financial Aid Grants are still enrolled in units, you may be in overpayment and may owe all or a portion of your disbursement and it may affect your SAP (Satisfactory Academic Progress). For more information on the consequences of dropping a class or classes, please refer to our chapters in this guide regarding dropping classes and overpayments.

It is critical to remain in all of your classes to avoid Return of Title IV repayment. If you are receiving financial assistance at another institution or you have dropped all of your classes, you **MUST** return the funds to the College. If the funds are not returned, a hold will be placed on your records and you may be reported to the Department of Education affecting your ability to receive financial aid at any other school.

If you receive all FW's/W's grade for the semester which you received Title IV funds, you may be required to repay all or a portion of those funds. Your award is contingent upon the availability of funds from the appropriate agencies and the laws and regulations which govern these programs and are subject to change.

RCC INFORMATION

Release of Financial Aid Information (FERPA)

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a federal law that protects the privacy of educational records of all students enrolled in schools beyond the high school level. Schools are required to maintain that privacy, primarily by restricting release of records and the access provided to those records. Any educational institution that receives funds under any program administered by the U.S. Secretary of Education is bound by FERPA requirements. FERPA requires that information, written or verbal, regarding student education and financial aid records cannot be released to any person or agency, other than the student, without prior written consent.

To release information to anyone other than the student, i.e. parent, grandparent, other agencies or friend, the RCC SFS Consent to Release Information (CRI) form must be completed by the student in person with a picture ID each academic year. The CRI form, available at the SFS counter, must be submitted to the student's home college and may be cancelled in person at the SFS counter. For student confidentiality, a picture I.D. will be required when a student is requesting information from his/her financial aid file. All documents contained in student files are the property of the RCC SFS office and will not be returned. Please request and retain copies of all your paperwork before submitting it to our office.

To protect students' privacy, no detailed student information will be given over the phone, email or via the internet. For more detailed information regarding FERPA, please review the Riverside Community College District website at <http://www.rccd.edu/Pages/ferpa.aspx>.

Student Email Accounts

Riverside Community College District (RCCD) students are assigned a free student email account through Microsoft's Office 365 for Education. An RCCD email account is the only approved method of formal communication between RCCD and students. It is important that students check their student email daily. The SFS Department will use the RCCD Student email to communicate with students regarding their financial aid applications, steps to complete their financial aid file, as well as updates and additional opportunities, such as scholarships. In addition, important notices from Admissions and Records, faculty, and many other campus resources are sent directly to the RCCD student email account. For more information on accessing your student email account, please visit the RCC Admissions and Records website at: <https://www.rcc.edu/become-a-student/student-knowledge.html>.

Voter Registration

Voter registration forms are available to students, faculty, and staff.

To Obtain a Paper Voter Registration Application

If you would like to register using a paper voter registration application, you can pick one up at your county elections office, library, Department of Motor Vehicles offices, or U.S. post office. It is important that your voter registration application be filled out completely and be postmarked or hand-delivered to your county elections office at least 15 days before the election.

Accountability

Updating and maintaining accurate student information is a shared responsibility between the student and RCC. If at any time, an error or conflicting information on the FAFSA/CA Dream Act Application is determined, it is the responsibility of both RCC and the student to correct/resolve the issue.

Please be advised that if you have submitted documentation that contains errors to the SFS office in support of your financial aid file, it is important that you notify our office immediately. Failure to notify our office of any changes, such as application corrections or a change in student information will result in a delay in determining your eligibility for aid as well as a delay in the disbursement of funds. Once a correction/update is made to the application please be advised that it may result in an adjustment in aid and/or award amounts. In some cases the student and/or RCC may be responsible for the immediate repayment of funds already disbursed. It is our primary goal to assist RCC students in receiving their financial aid in a timely manner.

Transfer Tips

Financial aid does not automatically transfer from one institution to another. You must reapply each year to continue receiving federal and state financial aid. You may only receive financial aid funding from one institution per semester.

However, you may receive the CCPG from more than one community college at a time.

If you are transferring to RCC, you must add RCC to your FAFSA or CADAA application by one of the following methods:

FOR FAFSA APPLICANTS

1. Using your FSA ID, go to www.fafsa.gov. Under "Returning User" choose "Add a School Code" and follow the directions to add RCC using our school code (001270). Or,
2. Add the RCC school code (001270) on the indicated page of your SAR, sign it, and mail it to the address listed at the bottom of page under, "If you made changes." Or,
3. Call the Federal Student Aid Information Center at 1-800-433-3243 and request to have RCC added to your SAR. Have the following information ready:
 - Name and Date of Birth
 - DRN Number (Located on page 1 of your SAR)
 - Social Security Number
 - RCC's School Code: 001270

Within a few weeks, you will receive a new SAR from Federal Student Aid by mail or email. RCC will receive your information electronically. You will then receive a communication, via email, from RCC (to your RCCD student email address) letting you know what is required to complete your file with RCC.

FOR CADAA APPLICANTS

1. Using your student information log into: www.caldreamact.org.
2. Add the RCC school code: 00127000
3. You will then receive a communication, via email, from RCC (to your RCCD student email address) letting you know what is required to complete your file with RCC.

If you have not yet set up your RCC email account, you will want to do so at <https://www.rcc.edu/student-support/student-technology-support.html#email> and follow the steps to set up your email account.

1098-T

The Form 1098T (Tuition Payments Statement) is available on RCC My Portal in late January for the previous tax year if you were enrolled in courses at RCC. The 1098T Form is used to calculate any student tax credits you may be eligible for. You or your parents may be able to take either the tuition and fees deduction or claim an education credit on your tax return for the qualified tuition and related expenses that were actually paid in the year.

To access, view, and/or print your 1098T Tax Form:

- Log into RCC My Portal at www.rccd.edu
- Choose the IRS Form 1098T, under Other Services

If you have any problems logging into My Portal, please email studenttechhelp@rcc.edu for a tutorial and helpful links.

If you have any questions regarding the information on your 1098T Form, please contact the 1098T Information Line at (951) 328-3500. RCC SFS staff cannot answer tax questions so for any other information regarding the 1098T eligibility and how to figure out the tax credit please contact your tax preparer or the IRS at 1-800-829-1040 or www.irs.gov. Tax credits for students may change from year to year so be sure to view any updates on the IRS website. More information on education tax credits can be found online at <https://studentaid.ed.gov/sa/types/tax-benefits>.

California Domestic Partner Rights Act

What is the California Domestic Partners Rights and Responsibilities Act?

The California Domestic Partner Rights and Responsibilities Act (AB 205), which went into effect on January 1, 2005, extends the same rights, protections, responsibilities, obligations and benefits to registered domestic partners as those extended to married couples. If you inform the RCC Student Financial Services (SFS) office that you are in a registered domestic partnership or that your parents are in a Registered Domestic Partnership, the SFS office should re-evaluate the student's California College Promise Grant (CCPG) eligibility. Eligibility for aid may increase or decrease.

For the purposes of federal student financial aid programs, California's recognition of registered domestic partnerships does not apply. If you are in a Registered Domestic Partnership (RDP), you will be treated as an independent married student to determine eligibility for state funded financial aid (California College Promise Grant (CCPG) and Cal Grant) and will need to provide income and household information for your domestic partner.

If you are a dependent student and your parent is in a Registered Domestic Partnership, you will be treated the same as a student with married parents and income and household

Information will be required for the parent's domestic partner to determine eligibility for state funded student financial aid.

These provisions apply to state funded student financial aid ONLY and not to federal student financial aid.

For more information visit: <http://www.csac.ca.gov/post/california-domestic-partnerrights-and-responsibilities-act-2003>.

FREQUENTLY ASKED QUESTIONS

Q. Where can I get help completing my FAFSA or CADAA Application?

A. The SFS office schedules FAFSA/CADAA Application workshops each semester to assist you in filling out your FAFSA or CADAA Application online. Look for announcement flyers or visit our website at <https://www.rcc.edu/become-a-student/how-to-pay-for-school/financial-aid.html> for future workshops and dates. There is help available on the FAFSA website (www.studentaid.gov) and the CADAA website (<https://dream.csac.ca.gov>) as you enter the information. For the FAFSA, the "Hint" box on the right side of the application explains why the information is needed and gives hints as to how to answer the question. As you enter and move to the next page, the "Hint" box stops you if the information is incomplete and prompts you on the questions that are incorrect or over-looked. For the California Dream Application, the hint or explanation as to how to answer the question is below each question. FAFSA on the Phone is a non-Web, paperless alternative to completing the FAFSA. With the assistance of customer service representatives, students are given the flexibility to complete the FAFSA by relaying their information over the phone at 1- 800-433-3243. For help with the CADAA, customer service representatives are available at 1-888-224-7268.

Q. Do I need to apply for financial aid each semester and when do I re-apply for the California College Promise (CCPG) Grant and Cal Grant?

A. No, not every semester. The FAFSA and CADAA Application must be filled out for each academic year. Applications are available October 1st for the following academic year. Completing the FAFSA early each year assists in determining eligibility for all types of financial aid (PELL, FSEOG, CCPG, Cal Grant, etc.) Completing the CADAA early each year assists in determining eligibility for the CCPG and Cal Grant. By filling out the FAFSA or CADAA, you will automatically be considered for the CCPG for the academic year beginning with summer and ending with spring (summer, fall, winter, spring). To qualify for the Cal Grant, you must complete and submit the FAFSA or CADAA by March 2nd of each year. Once you have been awarded the Cal Grant, you must reapply each year by submitting the FAFSA or CADAA by March 2nd to maintain your eligibility status.

For Example:

2021-22 Application is for: Summer 2021, Fall 2021, winter 2022, spring 2022,
*summer 2022 (Pell Only)

2022-23 Application is for: Summer 2022, Fall 2022, winter 2023, spring 2023,
*summer 2023 (Pell Only)

Q. I submitted my FAFSA and received my SAR (Student Aid Report). Do I need to do anything else?

A. Maybe! Completing the FAFSA is only the first step in applying for financial aid. Some students will have additional tasks/actions to submit. These items will be posted on your FA Portal at <https://rcc.verifymyfafsa.com>. A current admissions application is also required. SFS will receive the application information electronically within 2 weeks of submittal. You will be notified through your RCCD student email if you have tasks/actions required to complete your financial aid application. After your tasks/actions have been submitted, your file will be reviewed for eligibility, and you will be notified by email of your status. Your award will be available on RCC My Portal. Not all students will have required documents/actions listed.

Q. Why do I have to use my parent's information on the FAFSA/CADAA application if I don't live with them and they don't give me any money for school?

A. For financial aid purposes, the U.S. Department of Education classifies all applicants into two categories: Dependent and Independent students. Dependency status is determined by the questions in step three of the FAFSA/CADAA. If you answer "NO" to every question in step three of the FAFSA/CADAA, you are a Dependent student. Dependent students must include their parent's income information on the FAFSA/CADAA. If you answer "YES" to any one of the questions in step three of the FAFSA/CADAA, you are an Independent student. Whether or not you live with your parents, they claim you on their tax return or they give you money are NOT factors in determining dependency status. Please see our section on "Dependent or Independent" in this guide for additional information.

Q. My parents make a lot of money. Is it a waste of time to apply for financial aid?

A. No! The only way to find out if you are eligible for financial aid is to submit the FAFSA/CADAA. If you do not qualify for the Federal Pell Grant, you may still be eligible for other types of aid such as the California College Promise Grant (CCPG) or the Cal Grant. If you do not fill out the FAFSA/CADAA, you could be disqualifying yourself from getting financial aid. There is no fee charged to apply for financial aid.

Q. Why does it sometimes take so long to process a financial aid application and what can I do to avoid delays in the processing of my application?

A. To avoid any delays in the processing of your financial aid application, be sure to accurately enter the information and review and recheck the application before submitting. Applications with conflicting or inaccurate information may require a correction, which may mean a delay in the overall process. Whenever possible, when completing a FAFSA you should use the IRS Data Retrieval tool to retrieve your and/or your parents income information directly from the IRS. Remember, completing the financial aid application is just the first step in the application process. You must submit required tasks/actions to complete your financial aid file, if required on your portal at <https://rcc.verifymyfafsa.com> so that the awarding process may continue if needed. The SFS office will not be able to process an application with missing documents or conflicting information.

Q. Why is the grant money I received less than the amount listed on my award letter?

A. The amounts listed on your award letter are the awards for a full-time student (12 units each semester, fall and spring).

- Your actual disbursements may be less depending on the number of units you are actually enrolled in at the time of disbursement. Keep in mind that grants are disbursed in payments throughout the semester. Therefore, the amount you receive may not reflect the entire semester award.
- Late starting class units will be considered on the disbursement date following the start of the class.
- If you have an approved financial aid Satisfactory Academic Progress (SAP) appeal, you will only be paid for classes on your approved class list provided by the SFS office.

Q. Do I have to be enrolled full-time to receive financial aid?

A. No, but there are certain unit requirements for different awards. You may be enrolled in any number of units to receive the CCPG. Students eligible for Cal Grant must be enrolled in at least 6 units to receive disbursement. With the Pell Grant, the amount of money disbursed depends on the number of units a student is enrolled in each semester and the students Pell grant eligibility. In some cases, a student may have to be enrolled at least half time (6-8.5 units) or $\frac{3}{4}$ time (9-11.5 units) to receive the Pell Grant. That is determined by the information submitted on the FAFSA and the calculation of the EFC (Expected Family Contribution) by the Department of Education.

Q. What happens to my financial aid if I drop classes? Do I have to pay back the money?

A. That depends on when you drop the classes. If you drop classes after the disbursement of aid, your future payments will be adjusted to reflect your new enrollment status (number of units). Once this is updated, you will be notified if you must pay back any overpayment of financial aid. If you withdraw from all of your

classes, you will be notified if you must repay any overpayment of financial aid. Try to avoid a complete withdrawal by seeking advice from academic counselors and/or your instructors before withdrawing. In addition to possible repayment, you may face Satisfactory Academic Progress (SAP) problems. Dropping classes could affect your GPA and Pace of Progression percentage. Please see the SAP chapter in this guide for more information.

Q. Why does the Student Financial Services office limit the kind of information it gives over the phone?

A. Student Financial Services does not release certain information over the phone in order to protect the student's right to privacy as stated in the Family Educational Rights and Privacy Act (FERPA). If you need specific information about your financial aid file and/or disbursement, please come to the SFS counter with a picture ID and our trained staff can answer your questions. Please see the FERPA chapter in this guide for more information.

Q. Why am I no longer eligible for the California College Promise Grant (CCPG)?

A. If you do not maintain a GPA of 2.0 or higher and/or complete more than 50 percent of your coursework for two consecutive primary terms (Fall/Spring), you lose your eligibility. You will be notified within 30 days of the end of each term. In order to regain eligibility for the grant you can do one of the following:

- file an appeal **OR**
- not attend your school district for two consecutive primary terms **OR**
- improve your GPA and/or course completion to meet academic and progress standards.

FINANCIAL ASSISTANCE COMMON ACRONYMS

Ability-to-Benefit - One of the criteria used to establish student eligibility in order for students to receive Title IV program aid is that a student must have earned a high school diploma or, its equivalent. Students who are not high school graduates, or have not earned a GED Certificate, can demonstrate that they have the "ability to benefit" from the education or training being offered by passing an approved ability-to-benefit (ATB) test or complete six semester approved units. New students will be required to have a high school diploma, GED, or pass a High School Proficiency test to satisfy the Ability-to-Benefit requirement for financial aid.

Academic Year - A period of time that schools use to measure a quantity of study. For example, a school's academic year may consist of a fall and spring semester during which a full-time undergraduate student must complete 24 semester hours. Academic years vary from school to school and even between educational programs at the same school.

Accreditation - The school must meet minimum academic standards, as defined by an accrediting body recognized by the U.S. Department of Education, to be eligible to participate in the administration of federal student aid programs.

Accrue - The process where interest accumulates on a student loan.

Award Letter - The award letter explains the type(s) and amount(s) of financial aid the student may be eligible for based on various determining factors. The award letter can be found on RCC My Portal under the financial aid section.

Borrower – An individual who signed and agreed to the terms in a loan promissory note and is responsible for repaying a loan.

Capitalized - With certain loans, such as the subsidized loans, the U.S. Department of Education pays the interest that accrues on a loan while the student maintains at least half-time enrollment, and during periods of deferment. However, with subsidized loans in forbearance and unsubsidized loans in any status, a student is responsible for paying interest as it accrues. When interest on these loans are not paid during accrual, the interest is capitalized, or added to the principal balance, which increases the outstanding principal amount due on this loan.

Consolidation - The process of combining one or more loans into a single new loan.

Cost of Attendance (COA) - The total annual cost of attending college for any given academic year. The COA includes tuition and fees, room and board, allowances for books, supplies, transportation, loan fees, and, if applicable, dependent care. It also includes miscellaneous and personal expenses.

Default - If a student does not repay a loan according to the terms and agreements of the signed promissory note, the student may enter into a default status. A student's credit status, future financial aid, purchasing cars, a house, and IRS refund may be affected if a loan is in a default status.

Dependent student - A student who does not meet one of the criteria for an independent student on the financial aid application(s), such as: Be at least 24 years old, married, a graduate or professional student, a veteran, a member of the armed forces, an orphan, a ward of the court, or someone with legal dependents other than a spouse.

Disbursement - Scheduled dates in which students will be disbursed financial aid (may include Pell Grant, SEOG, Cal Grant, Loans). *For a list of the 2021-22 disbursement scheduled dates, please see the disbursement schedule section of this consumer guide.

Direct Loans - William D. Ford Federal Direct Loan (Direct Loan) Program. Eligible students borrow directly from the U.S. Department of Education at participating schools. Direct Loans include subsidized and unsubsidized Direct Stafford Loans (also known as Direct Subsidized Loans and Direct Unsubsidized Loans). You must repay these loans directly to the U.S. Department of Education or the assigned servicer.

Educational Goal - A program of organized instruction or study that leads to an academic, professional, vocational degree or certificate and other recognized educational credentials. To receive financial aid, you must be working towards an eligible educational goal. Please see the SFS counter for more information.

Expected Family Contribution - Your Expected Family Contribution (EFC) is the number used to determine your possible eligibility for financial aid. This number results from the financial and household information you provided on your FAFSA/Dream application. Your EFC number is located on your Student Aid Report (SAR).

Grace period - After borrowers graduate, leave school, or drop below half-time enrollment, loans that were borrowed have six months before repayment is due. This period is known as the "grace period." Interest accrues on loans during grace periods, and this interest is capitalized when borrowers' loans enter repayment.

Half-time – 6-8.5 hours/units of active enrollment per semester at RCCD.

Independent Student - An independent student meets the criteria on the FAFSA to list only his/her (and spouse if applicable) information.

Interest - A loan expense charged by the Department of Education and paid by the borrower for the use of borrowed money.

National Student Loan Data System (NSLDS) - NSLDS receives data from schools, guaranty agencies and U.S. Department of Education programs. By using your FSA ID, you can obtain information about your federal loan(s) and Pell Grant awards and history, outstanding balances, the status of your loans and disbursements made. You can access NSLDS at www.nslds.ed.gov.

Principal - The amount of money borrowed by the student. Depending on loan type, interest will accrue on this amount.

Promissory Note - A promissory note is a binding legal document you sign when you get a student loan. It lists the conditions under which you are borrowing and the terms under which you agree to pay back the loan. The promissory note will include information on how interest is calculated and what deferment and cancellation provisions are available to the borrower. It is very important to read and save this document. You will need to refer to your promissory note later when you begin repaying on your loan, or at other times when you need information about provisions of the loan, such as deferments or forbearances.

Satisfactory Academic Progress - To be eligible to receive student financial aid, you must meet and maintain your college's standards of satisfactory academic progress (SAP) toward a degree or certificate offered by that institution. Please refer to our SAP section on this guide for additional information.

Selective Service Registration - In order to be eligible for federal student aid you must register with the Selective Service if: You are a male born on or after January 1, 1960, and ☐ You are at least 18 years old while not exceeding 25 years of age, and ☐ You are not currently on active duty in the U.S. Armed Forces.

Student Aid Report - Your Student Aid Report (SAR) summarizes the information you submit on your application for financial aid and provides you with your Expected Family Contribution (EFC).

Subsidized - A loan for which a student borrower is not responsible for the interest until they have stopped attending school or dropped below half-time enrollment status.

Unsubsidized - A loan for which the student borrower is fully responsible for paying the interest while they are in school, regardless of the loan status. Interest on unsubsidized loans accrues from the date of disbursement and continues until repaid in full
