Part 1: Term Reminders

Thank you for reviewing the term reminders. These reminders are intended to summarize briefly the common activities associated with instruction. The reminders were primarily compiled for faculty new to RCC, though returning and seasoned faculty may also find these helpful. Additional information and details about these and other topics can be found in the remainder of this document.

Before the term begins

Here are some simple reminders to consider as you finalize discussions with your department chair/division dean regarding tentative teaching assignments for upcoming terms.

assessment of student learning outcomes

Prior to each term determine the student learning outcome assessment projects planned in your discipline/department. Your full-time faculty discipline members, department chair, and/or the Riverside Assessment Committee (RAC) co-chairs can provide support.

RAC co-chairs:

Denise Kruiuzenga-Muro
Associate Professor,
English
(951) 222-8618

Jude Whitton
Assistant Professor,
Communications Studies
(951) 328-3774

Wendy McEwen
Dean,
Institutional Effectiveness
(951) 222-8148

book order

Some departments or programs establish a standard textbook adoption for certain courses. Check with your department chair about textbook adoption policies.

Textbook orders and orders for other required and for recommended materials can be submitted through the College Bookstore's (Follett) Online Adoption site:

https://adoptions.efollett.com/OnlineAdoptionsWeb/onlineAdoptions.html?storeNumber=2084&langId=en_US

You can also connect with the College Bookstore at 2084txt@follett.com

course syllabus

- **CREATE** a syllabus for **EVERY** section that you teach.

Thank you for following college best practices when creating your syllabi. The inclusion of student learning outcomes from the current Course Outline of record is required.

- **PREPARE** an electronic and/or physical copy for all students.
- **ARCHIVE** your syllabi for all sections to Course Syllabi Repository by sending an electronic copy to your Instructional Department Specialist (IDS)

Term Reminders

❑ faculty e-mail account

Please confirm that your professional e-mail address is functioning.

Thank you for using your professional e-mail address when communicating with students, staff, faculty, and administrators. It is CRITICAL to check this e-mail account regularly

❑ keys

The Instructional Department Specialist (IDS) can assist you in obtaining the appropriate key card or standard (physical) key. Key card access is required for the Math & Science Building, Nursing Building, and Wheelock Gym.

❑ large group instruction

RCC thanks you for providing access to students in your classes as is **pedagogically sound** within the **physical limitation** of your classroom. Within these parameters no additional permission is needed to enroll up to 89 students in your section. After consultation with your discipline and department chair, if you determine it is sound to enroll to 90+ students, e-mail the request to your Dean of Instruction; you will be informed if the enrollment can be mutually agreed upon.

❑ parking permit

Purchase your RCCD Parking Permit online via your [WebAdvisor](#) account <https://wa.rccd.edu/RCCD/RCCD?TYPE=M&PID=CORE-WBMAIN&TOKENIDX=8677351740>

❑ safety

Download the RAVE Guardian app to your mobile <https://www.rccd.edu/rave/Pages/index.aspx>

❑ teaching (TA) approval

Teaching Assignments (TAs) are approved electronically via your [WebAdvisor](#) account. Approval must be completed prior to first day of class.

❑ unique considerations for new hires

- Set up your RCCD voice mail
Inquire with department IDS for current policy and/or instructions.
- Locate Faculty Mailboxes
Faculty mailboxes are located in the Riverside Administration Support Center for general mail. Please contact your department chair and/or IDS for mailbox location within your department. All Associate Faculty will need to request a mailbox with the Riverside Administration Support Center.
- Obtain Copy Code
Please see the department IDS for your copy code for small print jobs.

Before the First Day of Class

Be prepared when you enter the classroom on the first day. Give thought to how you will manage student adds, maintain records of attendance, and assist our students who are sometimes overwhelmed and lost.

You will be able to access/print an accurate first-day roster and waitlist from [WebAdvisor](#) one-day before the first meeting of your class (NOT the start of the term). Before that time, enrollments may change as students remove themselves or are removed from your roster and qualified students from your waitlist are enrolled. Printing hard-copies is highly recommended since the WebAdvisor system experiences high demand use during the beginning of the term. You may experience delays in executing your WebAdvisor requests should you attempt to access the system during your first class meeting.

- Print Attendance Roster from [WebAdvisor](#). A hardcopy detailing student attendance MUST be submitted at the end of the term.**
- Print wait list from [WebAdvisor](#).**
- Print add/authorization codes from [WebAdvisor](#).**
- Confirm that the required text that you ordered is in the bookstore (if not, please contact the store manager at 2084txt@follett.com)**
- Provide the library with a copy of your text to place on reserve, when possible.**
- Check your faculty mailbox in the Administrative Support Center for important notices.**
- Check your professional e-mail account. Consider developing an automated response to address common questions from students.**
- Thank you to full-time faculty for posting office hours on or next to your office door.**

The first week of class is always hectic, and reassurances from faculty and staff can go a long way towards helping students navigate the College.

The Office of Student Services has established a robust presence of Ask Me booths throughout campus for the beginning of the term. If you would like to be involved, please contact the Office of Student Services at (951) 328-3636 to volunteer for a booth or to obtain Ask Me stickers.

First Day of Class Concerns

Best practices and helpful hints for the first day of class.

❑ add codes

- Add Codes become active on the first day of class.
- Best practice is to adhere to the Waitlist when adding students
- Make sure that you AND your students know the Last-Day-to-Add for your section. This information is available on [WebAdvisor](#).
- Our students need your classes. Thank you for distributing the Add Codes as soon as possible.
- It is strongly recommended that you record the student names associated with the add codes as you distribute them.

❑ distribute syllabus to every student

- Make certain that students who add the section also receive the syllabus.
- Any modifications to the document during the term are best put in writing and distributed.

❑ student e-mail

- Please encourage students to check their student e-mail regularly.

❑ classroom conditions

- Thank you for refraining from moving desks or tables from room to room in order to add students. Though well-intentioned and in the spirit of trying to accommodate students, this disrupts the desk count in other classrooms.
- Thank you for leaving the Disabled Student seating in place. Every term this furniture is specifically placed as needed by the Disability Resource Center (DRC). If a student in your section requires DRC furniture and it is not currently in your classroom, notify DRC so that appropriate accommodations can be made.

During the Term

Stay on track.

❑ assessment project

- As planned before the beginning term, thank you for engaging in any agreed upon assessment of student learning, and continuing discussion with your discipline members, department chair, and/or the Riverside Assessment Committee (RAC).

❑ census

- Keep updating the names of students on your Attendance Roster until Census. Keeping track of who is officially enrolled will help you manage the adds into your course AND impress upon the students the importance of meeting the Last Day to Add deadline.
- Submit Census Roster on [WebAdvisor](#) by the deadline. Remember to drop No-Shows. This is a State Regulation.
- Reconcile any hard-copy of your Attendance Roster with [WebAdvisor](#) after the census. DO NOT allow unregistered students to attend your class.
- If you have TBA labs associated with your course, additional information is available in part 2 of this document.

❑ instructor absence

- Please call your IDS to report your absence. If you cannot reach her/him by phone, leave a message and/or e-mail your IDS. She/he will need to know:
 - your name
 - course name
 - section number and/or day & time of class meeting
 - any message for your students
- The IDS will
 - “post your class” so that your students are aware that class is canceled
 - generate an Absence Affidavit for you to sign/submit upon your return
- Possible substitute instructor
 - thank you for refraining from making personal arrangements for a substitute
 - instead contact your department chair and division dean to explore possible arrangements

❑ improvement of instruction (IOI)

- You will be notified early in the term if you are scheduled for improvement of instruction. All parts of the process must be completed.
- Part-time faculty, please note that if you are teaching multiple campuses within the District, you may still need to undergo an IOI for EACH college.

❑ teaching availability

- Complete and submit an availability form when you receive it from your IDS. This does not guarantee an assignment (associate [PT] faculty) but lets us know your interest and availability.

At the End of the Term

Finish Strong.

- final exam**
 - Hold all final exams according to the RCC Final Exam schedule. The scheduled can be found at <https://www.rcc.edu/departments/Pages/Class-Schedule.aspx>

- grades**
 - Submit Grades on [WebAdvisor](#) by deadline
 - If you awarded an Incomplete Grade to a student, you MUST also submit an Incomplete Grade Contract on [WebAdvisor](#).

- hard copies of required documents**
 - Submit Attendance Rosters *and* Grades to your IDS.

- student learning outcomes (SLO) assessment**
 - Work with your discipline, department chair, and/or Riverside Assessment Committee representatives to appropriately submit results of assessments projects.

Part 2: Instruction-related Details

The material presented in part 1 contained brief statements to assist faculty in getting a good start, staying on track, and finishing the term well. Part 2 of this document provides a more in-depth understanding of these topics as well as additional information to assist faculty with issues that arise related to instruction.

Academic Freedom

The faculty, administration, and Board of Trustees subscribe to the American Association of University Professors' 1940 Statement of Principles on Academic Freedom and Tenure. This aligns with CCR Title 5 section 51023 and standards established with the College's accrediting body; the alignment is evidenced by the adoption of [Board Policy 4030](#) which states:

“Academic Freedom, in its teaching aspect, is fundamental for the protection of the right of the teacher in teaching and of the student's freedom in learning. Academic professionals need the freedom to explore ideas that may be strange or unpopular, endeavors proper to higher education; while also maintaining the responsibility of related subject matter to the classroom. College and university teachers are citizens, members of a learned profession and officers of an educational institution. When they speak or write as citizens, they should be free from institutional censorship or discipline, but their special position in the community imposes special obligations. As scholars and educational officers, they should remember that the public may judge their profession and their institution by their utterances. Hence, they should at all times be accurate, should exercise appropriate restraint, should show respect for the opinions of others, and should make every effort to indicate that they are not speaking for the institution.”

Assessment of Student Learning Outcomes

Assessment of the effectiveness of the delivery of course content and curriculum in community colleges is a state mandated activity with the objective of improving student success. Riverside City College is committed to evaluating the delivery of and quality of the content presented in our courses. As part of your responsibilities as an instructor of this college you are expected to participate in this assessment process. It is recommended that you familiarize yourself with this activity by exploring the [Riverside Assessment Committee's \(RAC\) Assessment Guide](#). Please check with your department chair for guidance on the assessment efforts happening in your department pertaining to the courses you are teaching.

Book Orders & Required Course Materials

State regulations require that the College inform students of costs associated with their courses at the time of enrollment. RCC complies with this requirement through the bookstore. You will receive reminders in your RCC email account for textbook orders. It is extremely important that if you have textbooks adopted for your course, you provide that information to the bookstore prior to student registration or as soon as you have your assignment.

- ✦ Please provide information to the bookstore of required books, recommended books, and any supplies (i.e. calculators, scales).
- ✦ You must also inform the bookstore if you are using Open Educational Resources (OER) material or no text material at all, so they can provide that information to the students.
- ✦ Desk copies – the bookstore does not provide desk copies. Please talk to your Department Chair for the procedure in your department.
- ✦ RCC Bookstore will accept textbook adoptions via Google Form, email, or online.
 - ⇒ Google Form (<https://forms.gle/d2fyidnVop9P3Pzk7>)
This is the best option if you use the same material each term as you can be added to our text rollover – we do the work for you!
 - ⇒ Email – please send your request to 2084txt@follett.com or Tammy.Wagonis@rcc.edu
 - ✦ Online – Set up an account at https://adoptions.efollett.com/OnlineAdoptionsWeb/onlineAdoptions.html?storeNumber=2084&langId=en_US
 - ✦ You will need to click the New?Register Here link.
 - ✦ The bookstore supplied password is 2084
- ✦ You are also welcome to drop by the bookstore with your textbook adoptions.

Breaks during class time & Passing Periods

- Classes are to be held for the entire scheduled instructional time. There is no “passing period” built into the scheduled class meeting time. Some meeting times are long enough so as to require one or more 10-minute break periods. This break time must be taken during the class meeting time and may NOT be accumulated in order to begin class late or end class early.
- Please refer to the chart below to determine the break time appropriate for your section. If you have any questions or concerns, please contact your Department Chair or Dean of Instruction.

Class meeting time per day		# of 10-minute Breaks
Minutes	Hrs : Mins	
50 to 95	00:50 to 01:35	NA
110 to 155	01:50 to 02:35	1
170 to 215	02:50 to 03:35	2
230 to 275	03:50 to 04:35	3
290 to 335	04:50 to 05:35	4
350 to 395	05:50 to 06:35	5

Course Syllabus

Standard Components

It is always a good idea to periodically touch base with your Department Chair about important syllabus details specific to your discipline.

The following list of syllabus components is not intended to be exhaustive or to replace faculty best practices. All syllabi should contain:

- Instructor contact information.
- Textbook information
- Clearly identified Student Learning Outcomes (Required) (Available from your Department Chair or in every Course Outline of Record in [CurricuNet](#))
- Grading details
- Course calendar detailing readings, assignments, class meeting dates, test dates, and Final Exam date and time

For classes that have TBA lab hours, syllabi must include statements addressing the following:

- The expected weekly attendance in lab
- The nature of the instruction occurring in the lab
- The physical location of the lab
- How the assignments in the lab factor into the grade for the course

Instruction-related Details

Important Statements

The omission of specific content can be a potential source of problems for instructors and students. Experience has shown that clear policy statements in your syllabus are of great help should misunderstandings arise with students. Please include statements in your syllabus about:

- ***Accommodation of Disabilities***

Such a statement is required. Here is a suggestion:

Riverside City College provides services to students with disabilities through the Disability Resource Center (DRC), located in the Charles A. Kane Student Services building, room 130. To request academic adjustments or services due to a disability, please visit the DRC or contact the DRC office at (951)-222-8060. A DRC counselor will confidentially review any educational limitations with you to determine what services you qualify for. Once your accommodations are approved through DRC, please bring your DRC Letter to Instructor to me so that I may facilitate your academic adjustments and services in class.

- ***Academic Honesty***

Academic Honesty, Plagiarism, Cheating, etc. This should include a statement not only about what constitutes plagiarism and/or cheating, but also a statement about the consequences to the student's grade for the test/assignment on which s/he demonstrated academic dishonesty. District policy on academic dishonesty is found in [board policy AP 5520](#) which is available on the [district website](#) and allows three options. The faculty member may:

- reduce the score on test(s) or assignment(s) according to the weight of the test or assignment;
- reduce the grade in the course if the weight of the test or assignment warrants grade reduction; or,
- fail the student in the course if the weight of the test or assignment warrants course failure.

- ***Adding and Dropping the Course***

Adding this class suggested language:

Students adding this section will be provided with an add/authorization code. You are responsible for completing the add process before the deadline to add. Add codes can be processed and deadlines identified through MyPortal. If you fail to add the class by the deadline, you are not officially enrolled and college policy prohibits you from continuing to attend class.

Be aware that your failure to pay fees/fines, to document prerequisites, to clear academic holds, or to navigate personal problems may hinder you from adding this section. Please allow sufficient time to take care of these issues before the deadline to add.

Adding this course after the published deadline will require documentation of extenuating circumstances involving severe illness, accident, or death of a family member, and is subject to approval by the appropriate Dean.

The use of an add/authorization code issued to another student violates the Student Code of Conduct and will be referred to the Dean of Student Services for disciplinary action. ***The unauthorized use of an add code is grounds for removal from the course.***

Dropping this class suggested language:

You may withdraw from this course by the drop deadlines using MyPortal. Deadlines are available on MyPortal. If there is a hold restricting use of MyPortal for this purpose, you may bring a completed ADD/DROP card to the Admissions counter of the college and complete the process there. It is the student's responsibility to drop this class should s/he decide no longer to attend.

- ✦ **Classroom Policies and Expectations of Student Behavior**

This should include policies on cellphone usage, common courtesy, eating and drinking in the classroom, appropriate language, proper classroom and online etiquette, etc. The Student Code of Conduct is [Board Policy 5500](#), which can be found on the District website and is listed under “Rights and Responsibilities” in the Student Handbook. The Student Handbook is accessible under the student portal of the RCC website.

- ✦ **Course Policies**

A syllabus should include course policies on missed assignments or exams, attendance expectations, tardiness, and class participation. Thank you for remembering that attendance cannot be used as a component for assigning class grades. However, class participation may be considered and factored into established grading policy.

Submit copy of syllabi to Department Office (IDS)

Every term the Department Offices archive syllabi for all courses taught at Riverside City College. This is critical for our students. Often times, when our students transfer, the four-year institution requires a copy of the syllabus from a course that the student took at Riverside City College. This is for matriculation purposes and a Course Outline of Record is unacceptable; the university wants to see the syllabus. This request often takes our students by surprise as they may not have saved every syllabus from every course that they took at community college. In addition, these documents assist us greatly in dealing with other issues that arise after the term has ended.

Field Trips

Paperwork required for course-associated field trips must be submitted prior to the event. Contact your IDS for specific discipline requirements, deadlines, and paperwork. It is critical that you meet these deadlines or your request may be delayed or declined. A faculty travel request must be filled out and submitted to your IDS, who will obtain a travel number and proper signatures. This is mandatory so that faculty will be covered by liability insurance while off site.

Final Exam Schedule

The Final Exam Schedule for Riverside City College can be found in the pdf of the Schedule of Classes. DO NOT change the meeting date/time or location of your Final Exam. If you believe that a change is warranted, contact your Department Chair/Dean to discuss the matter.

Note: Riverside City College Final Exam schedule differs from the Finals Schedule at Moreno Valley College and Norco College.

Instruction-related Details

Late Adds

Remind your students to process add codes on or **BEFORE** the **Last Day to Add** for your section. This date varies by section so check [WebAdvisor](#) or the Schedule of Classes for the exact date for your section.

If a student misses the **Last Day to Add**, a **Late-Add Petition** must be filed. Late-Add Petitions can only be submitted during the week immediately following the **Last Day to Add**. The forms require the signature of the instructor and the approval of the Dean of Instruction. The Dean of Instruction will not approve Late- Add Petitions unless the student falls into one of the following allowable conditions per Title 5:

- Illness – The student must prove s/he was ill or injured during the add period. The student must attach a note from a doctor, clinic, or hospital certifying illness and inability to add by the published deadline date.
- Accident – The student must attach a “true copy” of an original accident report from a police department, sheriff’s office, California Highway patrol, or other police agency. It is the student’s responsibility to explain how the accident prevented him/her from adding by the published deadline date.
- Death – The student must attach a copy of the death certificate and explain the relationship to the deceased.

It is the student’s responsibility to clear all impediments to adding/enrolling. The following reasons do not merit approval of a Late-Add Petition:

- Required assessments not completed
- Prerequisite not cleared
- Child care issues
- Inability to pay fees on time
- Financial or academic holds
- Class needed for graduation or transfer
- Lack of understanding or knowledge of class add deadlines or registration procedures

Methods of Instruction

Riverside City College uses the Canvas learning management system as the basic platform for all online and hybrid classes. In order for a course to be offered using the Hybrid or Online method, the course **MUST** be approved to be offered using these methods through the curriculum approval process. Contact your department chair, Curriculum Committee representative or consult [Curricunet](#) if you have questions about whether a particular course has been approved for Distance Education.

In addition, RCC offers faculty the ability to use the Canvas learning management system for any course, allowing instructors to create an online gradebook that allows students access to their grades at any time, to post course-related documents and materials, and to leverage many features unique to the Canvas environment.

PLEASE REMEMBER!

If you are requesting a Canvas shell for a course that is neither Online nor Hybrid you may only supplement and not replace classroom seat time with online meetings or assignments. For example, a standard course instructor may not ask students to meet online in lieu of regular classroom meeting time but may offer an assignment online to be completed outside of regular classroom meeting time.

Canvas Requirements

All faculty who wish to utilize Canvas must first complete an approved training process through at least one of the following:

- Complete the Online Canvas Academy (OCA)
- Complete a face-to-face Canvas training session
- Show proof of training from another organization (must be approved)

More information can be found at the [Distance Education Faculty Training website](#).

Canvas Course Shells

All Online (OL) and Hybrid (HYB) courses will appear automatically in Canvas.

All other course types require the instructor to manually request a Canvas shell via an Opt-In process in [WebAdvisor](#).

To Opt-In, an instructor must complete the following steps:

- Complete Canvas Training
- Log into [WebAdvisor](#) using your faculty login
- Click the “Distance Education Class Shell Opt-In” link in the Faculty Information section
- Opt-in by selecting the correct Term, checking the box next to your course, and choosing “Canvas” in the Services section

Once opted-in, course shells will appear in Canvas within 2 to 4 hours.

More information can be found at the [Distance Education website](#).

Prior-Term Course Content

All previously taught courses will have their most recent prior-term content automatically copied into the new course.

The following course attributes must match to identify a previously taught course within the last year:

- Course Name/Number: eg ENG-1A
- Faculty Name
- Instructional Method: eg HYB, OL, WE, etc
e.g. John Smith’s 19SPR ENG-1A (HYB) course content will be automatically copied to John Smith’s 19SUM ENG-1A (HYB) course.

If you require prior content from an alternative course to be copied to your upcoming course, please fill out a Course Content Copy form.

Merged Courses

Courses and sections that have been merged in Canvas allow an instructor to define course content once for all entries in the merged group. Courses that have been cross-listed in Colleague by your IDS will automatically be merged in Canvas. If you wish to merge additional courses in Canvas, you may submit a Course Merge form.

Required Documents

Pursuant to Title 5 Section 59025, records relating to attendance and FTES are classified as Class 3 Records and are records basic to audit. These records include Attendance Rosters, Census Rosters, and Grade Rosters.

Many tools are available for faculty in [WebAdvisor](#) to assist in maintaining and reporting this critical information.

Attendance Rosters

At the end of each semester, hard copies of attendance rosters must be submitted to the Department Office (IDS) for every section taught. For convenience, **Excel-based templates** are available from the Faculty Menu on [WebAdvisor](#) along with a tutorial detailing how to download and import an Excel file of your class roster.

You will be able to print an accurate first-day roster one day before start of your class. Before that time, enrollments may change as students remove themselves or are removed from your roster and qualified students from your waitlist are enrolled.

Census Rosters

Census rosters are due within five days of the census date listed in [WebAdvisor](#).

Use these rosters to record active, inactive and no-show students. Check the census roster carefully against your attendance records and drop all “no-show” students. Students whose names do not appear on the Census Roster are not officially enrolled in the class and may not attend class.

Census Rosters and Classes with TBA Lab Hours

Most of these sections use CI Track to document attendance for lab hours. If your section is linked to CI Track, the hours that your students have completed in lab will appear in the **Census Lab Hours** column of the Census Roster.

Hours of attendance logged in CI Track serve as evidence in the case of an audit. However, if you have documentation (evidence) that the Lab Hours pre-loaded in [WebAdvisor](#) from CI Track are in error, you may correct the value in the Census Lab Hour cell on this screen. All documentation (evidence) in support of these corrections **MUST** be submitted to the Office of the Dean of Instruction immediately after you submit your Census Roster. This will serve as institutional evidence in case of audit.

Please note: the requirements for student attendance in the TBA instructional Labs associated with your section **MUST** be clearly detailed in your course syllabus. If you have any questions about TBA instructional labs associated with your course, please contact your Lab Coordinator or Department Chair. The Dean of Instruction is also available to respond to any questions you may have. For classes in CIS, CSC, ENG, ESL, REA, WL, and other courses that have TBA lab hours, the course syllabi must clearly state the nature of the instruction occurring in the lab, the required weekly attendance in the lab, the physical location of the lab, and how the assignments in the lab factor into the grade for the course.

Census Rosters Inquiry

The **Census Roster Inquiry** is available as a menu choice in [WebAdvisor](#) under Faculty Rosters. Use this to confirm the submission of your Census Report and to print it for your records.

Census Rosters Inquiry and Classes with TBA Lab Hours

For classes with associated TBA lab hours, the Census Roster Inquiry will detail the number of reported lab hours for each student as of Census. If you discover you have made an error in reporting lab hours at Census, you may correct your error using the **Census Roster Hours Update** option.

Census Roster Update and Classes with TBA Lab Hours

For sections with TBA Lab Hours, faculty may update the Lab Hours reported at Census after submitting the Census Roster. You may do this ONE TIME only.

Census Roster Hours Update

NOTE:

- State regulations require that RCCD report at least 1 hour of attendance for each active student as of census who was enrolled in a census class with TBA hours.
- Hours updated on this form can only be updated once per section.

IMPORTANT: Hours reported must be supported by appropriate evidence.

Grade Rosters

Grade Rosters are due at the end of the term and are submitted on [WebAdvisor](#). If you assign an Incomplete Grade, you must also submit an [Incomplete Grade Contract](#) for each student with an INC grade.

Remember, an INC grade will be reported as IF, ID, etc. The first letter indicates the Incomplete grade and the second letter indicates the grade to which the INC will revert if after one calendar year the student fails to complete the requirements set forth in the INC Contract.

Incomplete grades are awarded at the discretion of the faculty member. They should be assigned only if it is beyond the deadline for the student to drop with a W and the student can document an extenuating, unforeseeable circumstance preventing him/her from completing the semester.

Grade Rosters and Classes with TBA Lab Hours

For sections with TBA Lab Hours, faculty are able to view the Total Lab Hours completed by each student for the course. Along with the completed work from regularly scheduled weekly labs, this information will assist the faculty member in determining the contribution of the lab hours to the overall grade in the course.

In addition, the hours reported at Census are provided for final review.

If the Census hours need to be corrected, you may adjust the hours using the Census Roster Hours Update link from the [WebAdvisor](#) menu.

You may only correct hours if you have documentation (evidence) that the Lab Hours previously reported are in error. All documentation (evidence) in support of these corrections **MUST** be submitted to the Office of the Dean of Instruction immediately after you submit the Census Roster Hours Update. This will serve as institutional evidence in case of audit.

NOTE:

- The "Lab Hours" column reflects total hours the students completed in the lab for the term.
- The "Census Hours" column reflects hours the students completed in the lab up to the census date.
- If the "Census Hours" are less than 1.0 contact hour (.83) lab attendance, the District does not receive compensation for any lab hours the student completed.
- If the hours listed in the "Census Hours" column are less than 1.0 and the student has successfully completed the class, please verify with the student that the hours listed are correct.
- If hours need to be adjusted, they can be adjusted on the "Census Roster Hours Update" link in WebAdvisor.

IMPORTANT: All hours reported must be supported by appropriate evidence.

Grade Rosters and Classes with Positive Attendance Lecture and Lab Hours

Sections that do not meet the criteria for typical scheduling must be reported as Positive Attendance courses. For these sections, hours of attendance must be reported. Many of these sections have both a Lecture and a Lab component, so that is the example used below.

For sections that require the reporting of Positive Attendance hours, the Grade Roster must be submitted in [WebAdvisor](#) at the end of the term will appear as follows:

For every student, you will enter a grade, the hours that the student attended lecture (Lecture Hours), and the hours that the student attended lab (Lab Hours). The lecture and lab hours will be pre-loaded with the maximum hours possible. It is your responsibility to reduce the hours for each student based upon his/her absences during the term.

Grade Pos. Att. Lecture/Lab Roster

NOTE:

- Please change the default lecture hours to reflect the actual hours the student attended.
- Lab hours can also be adjusted if listed incorrectly.
- Hours should not exceed the maximum hours for the instructional method.
- Twenty-four hours should be entered (24 or 24.0). Fractions of an hour should be entered (24.3) etc...

IMPORTANT: Hours reported must be supported by appropriate evidence.

SUBMIT

It is critical that during the term you maintain accurate records of student attendance in BOTH the lecture and the lab portion of the course. The hard-copy of your attendance record IS the official documentation required and should be submitted to Admissions & Records at the end of the term. Make certain that you have clearly indicated attendance for every student for every day the class met. If you were absent, then all students lose those hours of attendance for that day.

Contact your Department Chair or the Dean of Instruction with any questions.

Grade Rosters Inquiry

Instructors can confirm that grades and (if appropriate) TBA hours or Positive Attendance hours have been submitted by clicking on the **Grade/Pos Attendance Inquiry** option in the Faculty Menu on [WebAdvisor](#):

Grade Rosters and Positive Attendance Updates

If a correction needs to be made to a student grade, you may use the Student Grade Change option on [WebAdvisor](#).

If a correction needs to be made to the Positive Attendance hours submitted, you may do so by using the Positive Attendance/TBA Hours Update option. If you update the Positive Attendance hours, please resubmit an updated hardcopy of the Attendance Roster to the Instructional Department Specialist (IDS). It is critical that the hardcopy of the Attendance Roster documents and supports the hours of attendance that you have reported on [WebAdvisor](#).

Instruction-related Details

Faculty E-mail

You must routinely check your RCC e-mail accounts. Reminders about time-sensitive activities related to your contract (TA approvals, Census deadlines, etc.), updates from Admissions & Records, and communication from department and administrative offices are routinely sent to you via this account. Your timely monitoring is critical to the communication within the district and at our college.

FLEX Obligations and Opportunities

RCC participates in the Flexible calendar program. Therefore, by law and negotiations with the RCCDFA, Full-Time faculty are required to spend 24 hours per year and Associate Faculty may be compensated up to 3 hours per year (from July 1-June 30) in professional development activities.

Those activities, according to the California state flexible calendar policy, must fall into at least one of the following categories:

- course instruction and evaluation;
- staff development, in-service training and instructional improvement.
- program and course curriculum or learning resource development and evaluation;
- student personnel services;
- learning resource services;
- related activities, such as student advising, guidance, orientation, matriculation services, and student, faculty, and staff diversity;
- departmental or division meetings, conferences and workshops, and institutional research;
- other duties as assigned by the district;
- the necessary supporting activities for the above

These hours may be satisfied by one or more of the following activities:

- Attending mandatory college day or district day events
- Attending on-campus workshops, presentations, meetings and/or events that have been approved as a FLEX event by the faculty development committee
- Participating in off-campus activities such as conference attendance, course redesign, or discipline- related activities.

Discipline-related activities should

- be activities that are directly or indirectly related to the subject(s) taught
- result in improved knowledge in one's field
- be based on a topic that can be incorporated into courses taught to improve student learning

For instance, a faculty member in the Art department could attend an art exhibit. A faculty member in biology could attend a talk at the Long Beach Aquarium about climate change.

Off-campus activities require completion of an individual flex plan with department chair approval before attendance of the event.

For full-time faculty individual flex plans are completed in the Flex Track system (www.academic.rcc.edu/cte and click on [Flex Tracker](#)). It is also required that you provide evidence of your activity upon completion.

For associate (part-time) faculty, up to 3 hours of FLEX can be reported in the etrieve system using the Single Sign-on Portal (go.rccd.edu)

Teaching Assignment (TA) Approval Process

Teaching Assignments are approved via [WebAdvisor](#). Once you as the faculty member and the department chair have tentatively worked out which class(es) you will teach, the IDS generates a TA for you. During an approval period, new and modified TAs enter the [WebAdvisor](#) queue to be approved, first by the department chair, then by the Dean of Instruction, and finally by the faculty member. When a TA is ready for you to review and approve or deny, you will receive an automated e-mail delivered to your college/district e-mail address. It is important to approve/deny your TA by the deadline stated in the e-mail. Pay close attention to the term; some months you may have multiple TAs to approve.

If there is an error on your TA, please contact your IDS before approving or denying your assignment.

Q: I approved my TA last month. Why do I have to approve the same TA more than once?

A: The quick answer is that it is not the same TA... something is different about it. If there is a change made in your TA, the new TA will need to be reviewed and approved. This is nothing new... it happened back in the pen & paper approval process days as well.

Q: Do I have to approve a TA every month?

A: No. There may be months in which no TA approval is needed. Before the term begins, you will obviously be approving the TA for the upcoming term. If nothing on your TA changes, that should be it. However, see the above question.

Q: Will I ever have a TA from more than one term to approve during the same month?

A: Possibly. This can happen especially during months at the end of an intersession and before a primary term. So always be mindful of the Term that is indicated in the automated e-mail notification.

Please note that while you will receive an automated e-mail requesting your approval that there is an order of approval it must pass before the system will allow you to submit your approval.

PLENARY RESOLUTIONS PROCESS

In order to ensure that deliberations are organized, effective, and meaningful, the Academic Senate for California Community Colleges uses the following resolution procedure:

- Pre-plenary resolutions are developed by the Executive Committee (through its committees) and submitted to the pre-plenary area meetings for review.
- Amendments and new pre-plenary resolutions are generated in the area meetings.
- The Resolutions Committee meets to review all pre-plenary resolutions and combine, reword, append, or render moot these resolutions as necessary.
- Resolutions and amendments must be submitted to the Resolutions Committee before the posted deadlines each day by using the webform available on the Resolutions Process webpage.
- New resolutions submitted on the second day of the plenary session are held to the next session unless the resolution is declared urgent by the Executive Committee.
- Resolutions and amendments are debated and voted upon in the general sessions on the last day of the plenary session by the delegates.
- All resources are available on the ASCCC website.

Prior to plenary session, it is each attendee's responsibility to read the following documents:

- Senate Delegate Roles and Responsibilities (found in [Local Senates Handbook](#))
- Resolution Procedures (Part II in [Resolutions Handbook](#))
- Resolution Writing and General Advice (Part III in [Resolutions Handbook](#))

New delegates are strongly encouraged to watch the New Attendee Information pre-plenary webinar.

CONSENT CALENDAR

Resolutions may be placed on the Consent Calendar by the Resolutions Committee for any of the following criteria: 1) believed noncontroversial, 2) do not potentially reverse a previous position of the Academic Senate, 3) do not compete with another proposed plenary session resolution. Resolutions and any subsequent clarifying amendments that meet these criteria have been included on the Consent Calendar. If an amendment is submitted that proposes to substantially change a resolution on the Consent Calendar, that resolution will be removed from the Consent Calendar.

To remove a resolution from the Consent Calendar, please see the Consent Calendar section of the Resolutions Procedures for the plenary session. Reasons for removing a resolution from the Consent Calendar may include moving of a substantial amendment, a desire to debate the resolution, a desire to divide the motion, a desire to vote against the resolution, or even a desire to move for the adoption by the body by acclamation.

101 CURRICULUM

101.01 F24 Adopt Using Outcomes for the Course Outline of Record in Title 5

Whereas, Student learning objectives are building block skills required to demonstrate proficiency of the higher-level, broader student learning outcomes;

Whereas, California Code of Regulations Title 5 Section 55002(a)(3)¹ requires course objectives as part of the requirements for the course outline of record while the Accrediting Commission for Community and Junior Colleges (ACCJC) standards² refer to student learning outcomes;

Whereas, The WASC Senior College and University Commission (WSCUC) serves as the accreditation agency for the California State University and the University of California systems as well as many other universities in California and more globally, and WSCUC standards³ also refer to outcomes; and

Whereas, The course content of the course outline of record (COR) provides the context for the outcomes, often aligning with the current use of objectives, perhaps adding unnecessary redundancy to the COR;

Resolved, That the Academic Senate for California Community Colleges work with the California Community Colleges Chancellors Office and other system partners to adopt using student learning outcomes as requirements in Title 5 instead of course objectives in the course outline of record (COR) to reduce redundancy in the COR and align with accreditation requirements for the California Community Colleges, the California State University, and the University of California systems.

*+101.02 F24 Nutrition Science Integration in General Education Curriculum as a Cal-GETC Subject Area 5B Course

Whereas, Nutrition has historically been combined with Culinary Arts and Consumer & Family Studies, but the study of Nutrition has evolved to emphasize Human Nutrition, which integrates many subjects within Biological Sciences;

Whereas, Nutrition courses are appropriate for inclusion in the California General Education Transfer Curriculum (Cal-GETC) Subject Area 5B as evidenced by the required topics including the scientific method and its application, cellular and molecular biology, anatomy and physiology, biochemistry, biotechnology, microbiology, metabolism, immunology, public health, endocrinology, sustainability, and chemistry;

Whereas, Some California universities recognize Nutrition is not narrow in focus and have therefore appropriately placed it in their local university GE pattern as evidenced by UC Berkeley recognizing their own Introduction to Human Nutrition (NUSCTX 10) meets UC Berkeley Biological Science, Letters and Science (L&S) Breadth, and CSU Long Beach recognizing their own Introductory Nutrition (NUTR 132) meets CSULB's local GE Category B - Science, Technology and Mathematics/Quantitative Reasoning; and

Whereas, Cal-GETC Standards Version 1.0 (May 2023)⁴ states Nutrition courses were determined to have a narrow or applied focus and therefore unacceptable for inclusion in Subject Area 5: Physical or Biological

Sciences, and though Cal-GETC Standards Version 1.2 (May 2024)⁵ no longer contains the exclusion language, Nutrition course proposals continue to be denied with the reason cited being that the proposal is too narrow in focus;

Resolved, That the Academic Senate of the California Community Colleges urges and collaborates with our University of California and California State University partners to update their UC Transfer Eligibility Standards for Science and the Cal-GETC course review process to include Nutrition as a science eligible course for Cal-GETC Subject Area 5B.

***+101.03 F24 Cal-GETC External Examination Credit for Cambridge International Assessments**

Whereas, Cambridge International, known as a global educational program taught in English in 160 countries, is rapidly expanding across the US, the National Student Clearinghouse reports hundreds of Cambridge International students in the US enrolled in California postsecondary institutions, and thousands of international Cambridge students annually matriculate to California colleges and universities;

Whereas, AS ⁶Levels Exams are administered at the end of a one-year course of study comparable to an Advanced Placement Exam, A Level exams correspond to two years of in-depth study in a subject, and Cambridge International AS and A level exams allow students to validate college level learning outcomes comparable to formal educational settings, aligned with subject exams corresponding to General Education transfer pathways, therefore deserving recognition and unit credit in academic contexts;

Whereas, The California General Education Transfer Curriculum⁷ (Cal-GETC) has not yet included Cambridge International AS and A level exams⁸ to meet transfer general education areas, and credit for prior learning is rigorously reviewed by external evaluators, with the ACE National Guide⁹ (American Council on Education) recommending credit for passing Cambridge International A and AS Level exams; and

Whereas, While the University of California campuses recognize Singapore-Cambridge A levels, UCs still deny credit for Cambridge AS levels, exam grade thresholds vary, and without a current executive order for Cambridge credit from the California State University System, the CSU Office of the Chancellor as noted in the CSU Policy Guide¹⁰ has recommended use of the ACE National Guide for awarding college credit based on prior learning assessment, thereby students encounter inequitable credit opportunities, and international students are increasingly aware that they can maximize the California Community Colleges' recognized pathways to successfully transfer to universities;

Resolved, That the Academic Senates for California Community Colleges work with the faculty representatives of the University of California and the California State University through the Intersegmental Committee of Academic Senates to include the use of passing Cambridge International AS and A level exam grades to meet requirements for the California General Education Transfer Curriculum.

***+101.04 F24 Automatic California General Education Transfer Curriculum (Cal-GETC) Approval of California Community Colleges (CCC) Ethnic Studies Courses**

Whereas, Since fall 2021, students have been required to complete an ethnic studies course as part of an intersegmental general education transfer pattern with California State University General Education Breadth (CSU GE/B) Area F Ethnic Studies established effective fall 2021, and Intersegmental General Education Transfer Curriculum (IGETC) Area 7 Ethnic Studies effective fall 2023, with both replaced by California General Education Transfer Curriculum (Cal-GETC) Area 6 Ethnic Studies effective fall 2025;

Whereas, It appears that California community college (CCC) ethnic studies courses are being held to a higher standard for review and approval for transfer general education ethnic studies requirement than “comparable” California State University (CSU) ethnic studies courses that are approved for CSU campus-specific general education ethnic studies requirements;

Whereas, It has been reported that CCC course-to-course articulation requests for ethnic studies courses with CSU Area F approved courses have been denied by some CSU campuses if the CCC “comparable” course is not already approved for California State University General Education Breadth (CSU GE/B) Area F Ethnic Studies (which is aligned with Cal-GETC Area 6 Ethnic Studies effective fall 2025); and

Whereas, Requiring courses to have a prior intersegmental general education approval as a condition for a course to receive course-to-course articulation contradicts best practice of granting course-to-course articulation based primarily upon course content, course objectives and other course outline of record elements in a manner “comparable” to the CSU or UC course, not whether the course is approved for a transfer general education area;

Resolved, That Academic Senate for California Community Colleges work with the Intersegmental Committee of Academic Senates to strongly encourage California State University and University of California faculty to base course-to-course articulation agreements on course comparability, not transfer general education approval; and

Resolved, That Academic Senate for California Community Colleges work with the Intersegmental Committee of Academic Senates to develop and implement a policy, effective Fall 2025, that for any California Community College (CCC) ethnic studies course that is articulated to any California State University (CSU) course approved for any CSU campus ethnic studies general education requirement (Area F or Area 6), and any California Community College (CCC) ethnic studies course that is articulated to any University of California (UC) course approved for any UC campus ethnic studies general education and/or graduation requirements, be “automatically” approved for Cal-GETC Area 6.

105 STUDENT PREPARATION AND SUCCESS

***105.01 F24 Investigate Academic Renewal Policies**

Whereas, Academic renewal policies and procedures can alleviate some substandard grades for clear educational purposes¹¹, such as when a student's past academic performance does not reflect their recent academic performance, and academic renewal policies and procedures exist to, for example, help students re-attain good standing for academic progress, financial aid eligibility, or gain readmission to a community college;

Whereas, Title 5 §55046¹² requires each community college district to develop academic renewal policies and procedures, but leaves flexibility for local variation in the maximum amount of coursework that may be alleviated, the amount of coursework completed with a 2.00 GPA to be completed subsequent to the alleviated coursework, and the length of time elapsed since the coursework to be alleviated was recorded;

Whereas, District policies and procedures on academic renewal vary among California Community Colleges (CCCs), and therefore create differences in access to and the educational standards of the CCCs; and

Whereas, Academic renewal policies and procedures are an academic and professional matter, specifically Title 5 §53200(c)(3) grading policies¹³;

Resolved, That the Academic Senate for California Community Colleges survey district academic renewal policies with a focus on the maximum number of units that can be alleviated, the amount of coursework completed with a 2.00 GPA to be completed subsequent to the alleviated coursework, and the length of time elapsed since the coursework to be alleviated was recorded, and report on the results by Fall 2025; and

Resolved, That the Academic Senate for California Community Colleges encourages local and district academic senates to evaluate their academic renewal policies and procedures' criteria for renewal, and determine whether they are grounded in educational purposes, as defined locally.

***+105.02 F24 Encouraging Funding for Printing Lab Manuals to Achieve Zero Textbook Cost (ZTC) Status**

Whereas, Title 5 §59404¹⁴ of the California Code of Regulations mandates that districts take reasonable steps to minimize the cost and ensure the necessity of instructional materials, and the Burden-Free Instructional Materials Task Force has recommended structural changes to reduce instructional materials costs for students in the long term;

Whereas, The California Community Colleges Board of Governors and the Academic Senate for California Community Colleges have consistently supported efforts to decrease the cost of instructional materials for students, emphasizing the importance of sustainable solutions¹⁵ to achieve Zero Textbook Cost (ZTC) status¹⁶ while preserving faculty's right to select appropriate instructional materials (F23 17.01¹⁷, S22 03.03¹⁸);

Whereas, The ASCCC recognizes open educational resources as the preferred and most sustainable mechanism for eliminating course costs, but acknowledges that in some cases, tangible instructional materials like printed lab manuals are necessary to achieve ZTC status (F21 03.05¹⁹); and

Whereas, The implementation of ZTC courses can be hindered by the cost of printing lab manuals, which may be the only barrier to achieving ZTC status for certain courses;

Resolved, That the Academic Senate for California Community Colleges urge local senates to work with their administrative colleagues to allocate funds to cover the printing costs of lab manuals when such costs are the only barrier to a course achieving Zero Textbook Cost (ZTC) status, thereby supporting students' access to affordable instructional materials and facilitating the broader adoption of ZTC courses.

***+105.03 F24 Encouraging Transparency and Eliminating Automatic Billing Practices in Course Material Access**

Whereas, Publishers and bookstore vendors have introduced programs that require students to pay a per unit fee for course resources and referred to these automatic billing programs with deceptive names such as “inclusive”, “equitable”, or “first day” access although the costs of the program may exceed the actual costs of the required resources, misleading students to believe they are saving money or putting the burden on the students to opt out of the arrangement if it is not financially beneficial;

Whereas, The Academic Senate for California Community Colleges opposes the use of automatic billing strategies and other approaches that maintain reliance upon commercial publishers (F22 17.02²⁰), and encourages faculty and colleges to carefully consider the impact of such programs and recognize that while they may address immediate student needs, they may not work in students’ long-term interest (F19 09.06²¹);

Whereas, California community colleges are required by law to mark their sections which have no textbook costs (California Education Code 66406.9²²) and all California community colleges have received Zero Textbook Cost Program funds to increase the availability of course sections with no textbook costs, yet no course section is truly zero cost when students are automatically billed for their course resources; and

Whereas, College-wide automatic billing programs that require students to “opt-out” establish a system that requires students to act in order for a course section to be no-cost.

Resolved, The Academic Senate for California Community Colleges encourages faculty and colleges to use the term “automatic billing” in lieu of euphemisms such as “inclusive”, “equitable”, or “first day” access; and

Resolved, The Academic Senate for California Community Colleges request that the California Community Colleges Chancellor’s Office require that course sections that have no textbook cost be excluded from automatic billing programs.

***+105.04 F24 Support the Establishment of Guidance for Course Syllabi**

Whereas, The freedom to create and teach courses is a professional right of each faculty member²³;

Whereas, Course syllabi are integral to student success by providing important information about academic expectations, grading standards, and course requirements; and

Whereas, No language exists in Title 34 of the Code of Federal Regulations (CFR)²⁴, sections 66000 - 101149.5 of the California Education Code²⁵, sections 50000 – 59704 of the California Code of Regulations (CCR), Title 5²⁶, the 2024 ACCJC Accreditation Standards²⁷, or the Policies for Prerequisites, Corequisites and Advisories on Recommended Preparation adopted by the Board of Governors²⁸ to clarify what information should be included in each course syllabus or when students can expect to receive a syllabus from their instructor;

***+109.01 F24 Update the 2009 Academic Senate for California Community Colleges Paper “Program Review: Setting a Standard” to reflect ACCJC 2023 Standards**

Whereas, Processes for Program Review is established as an academic and professional matter in Title 5 §53200³² indicating the role and involvement of faculty self-study and improvement process;

Whereas, The Accrediting Commission for Community and Junior Colleges (ACCJC) adopted updated standards in June 2023³³ resulting in Program Review being referenced as a source of evidence to support Standard 1, Standard 2, and Standard 3 rather than explicitly outlined as a requirement as it was in the ACCJC 2014 standards³⁴;

Whereas, Local academic senates and faculty members may require support to maintain the need for faculty involvement in the processes for Program Review due to the less explicit language in the Accrediting Commission for Community and Junior Colleges 2023 standards; and

111 ACADEMIC SENATE FOR CALIFORNIA COMMUNITY COLLEGES

111.01 F24 Update the ASCCC Paper, “The Role of Counseling Faculty and the Delivery of Counseling Services in the California Community Colleges”

Whereas, The COVID-19 pandemic fundamentally shaped how counseling and student services faculty provide support for students through the increased use of technology to both serve students in-person and remotely and increased the need to address mental health issues among college-aged students through trauma-informed care³⁶;

Whereas, The California Legislature has enacted AB 705 (2017, Irwin)³⁷ and AB 1705 (2021, Irwin)³⁸ which has impacted counseling roles and practices regarding advisement of students in placement for math, English, and English as a Second Language;

Whereas, The California Community Colleges have adopted the guided pathways framework³⁹ and the California Community College Chancellor’s Office has developed and adopted Vision 2030⁴⁰ to close equity gaps and meet California’s workforce needs, increasing the need for counselors to use varied strategies to support disproportionately impacted student groups (e.g., African American/Black, Latinx/e, undocumented, justice impacted); and

Whereas, The Academic Senate for California Community College’s paper *The Role of Counseling Faculty and the Delivery of Counseling Services in the California Community Colleges*⁴¹ has not been updated since 2012;

Resolved, That the Academic Senate for California Community Colleges update the paper *The Role of Counseling Faculty and the Delivery of Counseling Services in California Community Colleges* to include equitable practices in counseling on course placement, educational planning, appropriate roles for paraprofessionals and faculty advisors, the use of online counseling and technological tools for delivering some counseling services, the adoption of guided pathways, increased focus on career counseling, trauma-informed practices in providing crisis counseling, and the practice of case management to support student’s basic needs, to be completed by Spring 2026.

111.03 F24 Academic Senate for California Community Colleges Bylaws Revision

Whereas, The Academic Senate for California Community Colleges (ASCCC) is a 501(c)(6) nonprofit organization that is required to follow nonprofit laws and California Corporations Code, and the ASCCC Bylaws serve as a foundational legal document that outlines the structure of the organization and provides an operational framework to comply with those laws;

Whereas, The Standards and Practices Committee was tasked to review the ASCCC Bylaws in 2022, in consultation with legal counsel, to ensure that they were consistent with previously adopted resolutions, incorporated practices enacted since the COVID pandemic, clarified language throughout to distinguish local academic senates from the ASCCC, clarified the language pertaining to the relationship of the ASCCC Executive Director to the ASCCC Board of Directors, moved duties and responsibilities of Board officers to the ASCCC Rules document, and specify the threshold necessary for the ASCCC Rules to be changed by resolution at an ASCCC Plenary Session; and

113 LEGISLATION AND ADVOCACY

***+113.01 F24 Legislative Advocacy to Restore Student Choice on English and Math Courses**

Whereas, California Education Code Section 78213,⁴⁴ as revised in 2022 by AB 1705 (Irwin), prohibits community college districts from (a) enrolling students in pretransfer-level English and mathematics courses and (b) enrolling STEM majors in mathematics courses below Calculus 1 unless said courses can demonstrate better aggregate results in one-year throughput despite whether individual students may want the option to take said courses, effectively banning academic subjects, such as Algebra, from community college students;

Whereas, California Education Code Section 78213, as revised in 2022 by AB 1705 (Irwin), prevents community colleges from offering prohibited courses to students who are not succeeding in the one-year throughput metric despite whether (a) such students would like the option of taking said courses, (b) community colleges had other success data metrics to support the value of said courses, or (c) CSU and UC faculty from the affected disciplines expect the additional preparation students receive from said courses;

⁴³ <https://nam04.safelinks.protection.outlook.com/?url=https%3A%2F%2Fasccc.org%2Fsites%2Fdefault%2Ffiles%2F2024-10%2FASCCC%2520Bylaws%2520Carryover%2520Edits%2520and%2520New%2520Comments%2520Final.docx&data=05%7C02%7Cstewarrl%40lasc.edu%7C52609c8c968b413bf4a208dce7e0b0b4%7C0b71261a495f4ea99911da844b9402ef%7C0%7C0%7C638640199930825393%7CUnknown%7CTWFpbGZsb3d8eyJWljoImC4wLjAwMDAiLCJQIjoiV2luMzliLCJBTiI6IklhaWwiLCJXVCi6Mn0%3D%7C0%7C%7C%7C&sdata=YrFCuo%2BUjHKB%2BNkfib8metKORUg86V%2BSjrSMX034k3k%3D&reserved=0>

https://leginfo.legislature.ca.gov/faces/codes_displaySection.xhtml?lawCode=EDC§ionNum=78213.

Whereas, California Education Code Section 78213, as revised in 2022 by AB 1705 (Irwin), does not account for students who may feel so excluded by being forced to take transfer-level English or mathematics, or, for STEM majors, Calculus 1 courses, that they are opting to drop before census or to not enroll altogether, which contradicts the shared goals of all public educational institutions in California “to provide educational opportunity and success to the broadest possible range of our citizens” specified in California Education Code Section 66010.2;⁴⁵ and

Whereas, The Academic Senate for California Community Colleges has long expressed concerns that the ability of community colleges to serve all students were threatened by the implementation of AB 705 and AB 1705⁴⁶;

Resolved, That the Academic Senate for California Community Colleges advocate for revisions to California Education Code 78213 to allow community college districts to offer pretransfer-level English and mathematics courses and, for STEM majors, mathematics courses below Calculus so students will have the choice of taking said courses when (1) requested by students, (2) local college data supports the value of said courses irrespective of one-year throughput, or (3) CSU and UC faculty from the affected disciplines recommend the additional preparation students receive from said courses.

114 CONSULTATION WITH THE CHANCELLORS OFFICE

***+114.01 F24 Support for Faculty for Implementation of AB 1111 Guidance**

Whereas, The California legislature passed AB 1111 (Berman) in 2021⁴⁷ directing California community colleges (CCC) to adopt a student-facing, common course numbering (CCN) system in order to “streamline transfer from two- to four-year postsecondary educational institutions and reduce excess credit (unit) accumulation,” a mandate which the AB 1111 steering committee recognized as introducing challenges with a system that mandated common course numbering but not common articulation, leading the committee to recommend that a number of additional curricular elements be aligned along with course prefixes and numbers, sometimes in opposition to faculty requests and recommendations;

Whereas, Phase I of implementation began in Spring of 2024 with course templates being made available in September 2024 with a due date for submission identified as December 1st, 2024, and an effective date of Fall 2025, demonstrating a lack of consideration for 1) established curriculum timelines and processes at California Community Colleges and 2) the ramifications these updates may have on ASSIST and Cal-GETC updates in addition to the additional stress this puts on a system already burdened by required updates from AB 928 (Berman), AB 705 (Irwin), AB 1705 (Irwin), and introducing Ethnic Studies requirements;

Whereas, Practical considerations including technological challenges with curriculum, catalog, and scheduling systems, questions with respect to maintaining articulation agreements, and other local concerns at individual colleges, including but not limited to local numbering practices, quarter vs. semester system course topic distribution, multi-college districts that may require layers of vetting, and numerous questions about academic freedom have arisen, vastly complicating an already complex implementation plan; and

Whereas, Funding⁴⁸ has been provided to assist with AB 1111 updates with guidance that clearly identifies the work involved in “aligning existing course curricula to the CCN system” as one of the items fund may be allocated for;

Resolved, That the Academic Senate for California Community Colleges work with the California Community Colleges Chancellor’s Office, system partners, and the Legislature as necessary to provide for additional time to review, reflect on and implement course templates for common course numbering to ensure that systemwide articulation with CSU and UC will be able to be implemented within the anticipated/expected timeframe of AB 1111;

Resolved, That the Academic Senate for California Community Colleges work with local academic senates to advocate for spending funds provided for AB 1111 directly on faculty efforts to make required curriculum changes and make associated updates to other courses and programs; and

Whereas, The California Internship and Work Experience Association worked with the California Community Colleges Chancellor's Office regarding changes to Title 5 of the California Code of Regulations regarding Work Experience Education; and

(Title 5 California Code of Regulations § 58161⁵⁰, subdivision (f)(4)) ...[and] work experience education is repeatable as dictated by local district policy" yet Title 5 section 58161 only addresses apportionment and does not address repeatability;

Resolved, That the Academic Senate for California Community Colleges work with the California Community Colleges Chancellor's Office to align the language regarding the repeatability of Work Experience Education courses and other repeatable courses by adding an additional (4) to Section 55041(a) of the California Code of Regulations, which would read: "(4) Work Experience Education courses, as defined in section 55252."⁵¹

PROPOSED: TIGER PRIDE VALUES

TRANSPARENCY: We are committed to open communication and decision-making processes that foster trust and understanding among all members of our community.

INCLUSIVITY: We honor the rich traditions of our diverse community. We celebrate diversity and actively cultivate an environment where every individual feels welcomed, respected, and valued, regardless of their background, identity, or experiences.

GROWTH: We believe in the transformative power of education to inspire individuals and communities, providing innovative opportunities for personal and academic growth for all students.

EQUITY: We are dedicated to dismantling barriers to success and creating a college community where equity is not just a goal but a reality for all, with a focus on those who have been historically underserved, marginalized, and minoritized.

RESPECT: We honor the dignity and worth of every person, regardless of their background, identity, or lived experiences by fostering a culture of mutual respect, empathy, and understanding.

STUDENT-CENTEREDNESS: We place students at the heart of everything we do, prioritizing their needs, goals, and well-being with a holistic approach to our policies, programs, and decision-making processes.

DRAFT

Proposal: Addition of a Classified Professional Co-Chair to EPOC.

Info: Motion to add a Classified Professional Co-Chair to EPOC 10/14/24. Motion passed: 10 members voted. 9 in favor 1 against.

Rationale: Decisions are more informed and well-balanced with input from all relevant stakeholders, resulting in a more inclusive strategic planning process. Diversity of experience at the institution can better identify risks and opportunities, increase collaboration and communication between stakeholders, and build trust. In addition, classified professionals sit on and co-chair several committees, including all RCC's leadership councils. A classified chair on EPOC would support classified professionals who sit on these councils and committees. Lastly, classified professionals more closely reflect the cultural and racial demographics of our student population, whereas admin and faculty do not. Many classified professionals are RCC alumni and bring a unique perspective to our strategic planning structures. RCC is striving towards a more inclusive environment, and the addition of a Classified Co-Chair to EPOC is a major step towards inclusivity.
