ADN (RN) Advanced Placement/Transfer/30-Unit Option Information Sheet

General Information

The Associate Degree Nursing Program (ADN) is approved by the California Board of Registered Nursing (BRN) and is accredited by the Accreditation Commission for Education in Nursing, Inc. (ACEN). Contact information for the [California BRN](#) is P.O. Box 944210, Sacramento, CA 94244-2100 or call (916) 322-3350. Contact information for the [ACEN](#) is 3390 Peachtree Road, NE, Suite 1400, Atlanta, GA 30326 or call (404) 975-5000.

Each Spring and Fall, Advanced Placement/Transfer/30-Unit Option students are accepted into the program based on a designated number of enrollment slots. Advanced Placement/Transfer is defined as entering the program at a level beyond the first semester of the ADN (RN) program. Applicants who qualify for this option include LVNs and students with successful experience in an ADN (RN) or Vocational Nursing program. In addition, applicants with military health care experience may qualify for the Advanced Placement option after their experience and related course work is evaluated.

When offered, the LVN to ADN (RN) FLEXible (FLEX) option is an alternate advanced placement pathway in the School of Nursing (SON). This program is identical to the traditional Advanced Placement option, but offers the lectures/seminars in a online synchronous format that may be accessed from any computer with internet capability. Applicants may apply to both the Advanced Placement and/or FLEXible option(s). Preference is given to LVNs who work in community partner facilities and/or meet grant specific requirements.

For more information and a listing of Pre-Nursing Workshops, contact us at (951) 222-8407 or on the Health-Related Sciences Engagement Center [website](#). You may also contact RCC Counseling at (951) 222-8440.

Application to the School of Nursing

Students applying to the SON must have all eligibility and prerequisite requirements as listed on the *RCC ADN (RN) Information Sheet*; however, the minimum GPA in the science prerequisite courses is a 2.3. General education courses are encouraged to be completed prior to program admission. The applicant is responsible for ensuring that **ALL** official up-to-date transcripts and other necessary documentation have been received by Riverside City College (RCC) at the time of application.

All Advanced Placement/Transfer students are required to complete Nursing 18 (NRN-18) or Nursing 19 (NRN-19) prior to being considered for admission into the ADN (RN) program. The LVN 30-unit option candidate is exempt from the NRN-18 requirement. However, enrollment in NRN-18 is highly recommended.

1. Equivalent education/experience in nursing, military experience, and/or health-related programs will be evaluated.
2. LVNs must submit a copy of their current *Active* LVN license to the Nursing Enrollment and Evaluation Specialist at the time of application.
3. Students transferring from another nursing program must submit the following to the Nursing Enrollment and Evaluation Specialist:
 - a. Official up-to-date transcript(s) (within 90 days) from prior nursing program.
 - b. Course outlines and syllabi from completed nursing courses.
 - c. Completion of the *Recommendation Form*. The form can be obtained from the Nursing Enrollment and Evaluations Specialist.
 - d. Personal letter describing reasons for wanting to transfer to this program.
4. Congruent with BRN policy, if all requirements for the associate degree have been completed, LVN applicants for advanced placement in the ADN (RN) program are ineligible for the 30-unit option. These individuals must be admitted as candidates for the ADN (RN) degree program and must therefore, progress through the program as such.

5. Admission will be denied to an applicant who earned a grade of “C-” or less in a nursing program at another college.
6. Foreign transcripts must have a *Detailed Evaluation* and must be submitted by the application deadline. Information can be obtained from the Counseling Office.
7. Students with prerequisite courses in progress must turn in a grade verification form to the SON office as soon as the final grade is available.
8. Students must have applied to RCC prior to submitting an application to the ADN (RN) program.
9. Meeting minimum requirements of the program does not guarantee admission into the program.

Application Filing Period

SPRING SEMESTER - Application filing period between first business day of June to first business day of July.

FALL SEMESTER - Application filing period between first business day of October to first business day of November.

PETITIONING STUDENTS: (Students applying for readmission or for transfer): Year-round.

Applications may be obtained at the Nursing [website](#) during the application filing periods. Applications are submitted electronically through the link provided. Please verify the current application filing period dates on the Nursing website or contact the School of Nursing at (951) 222-8407.

Requirements For Eligibility and Prerequisite Courses:

1. Complete an RCC application on CCCApply and be eligible to attend RCC.
2. Cumulative GPA of at least 2.0 in all course work attempted at RCC and a cumulative GPA of 2.0 or greater, which includes all accredited college units attempted.
3. Minimum GPA of at least 2.5 in all general education courses is required for to earn an ADN (RN) degree.
4. **Prerequisite Courses (18 units):**
 - a. Minimum GPA of 2.3 in the following science prerequisite courses:
 - *Biology 50A (4 units)
 - *Biology 50B (4 units)
 - *Biology 55 (4 units)
 - b. Completion of Psychology 9 (3 units, Birth to Death) with a grade of “C” or better. Advanced Placement students must complete Psychology 9 prior to entrance into the program.
 - c. Nursing 18 (2 units) and Nursing 18B (1 unit) are required for all nursing advanced placement/transfer students with the exception of 30-unit option students. All ADN (RN) nursing courses may be challenged in accordance with *ADN (RN) Nursing Course Challenge* policy.
 - d. Nursing 19 (2 units) Nursing 19B (1 unit) are required for all non-nursing advanced placement/transfer students. All ADN (RN) nursing courses may be challenged in accordance with *ADN (RN) Nursing Course Challenge* policy.
5. Achievement of a passing score on the *RCC HESI Advanced Placement Exam*.

Anatomy and Physiology Requirement

RCC encourages students to complete the entire series of Anatomy and Physiology at one school. This is due to the concern of possible missing components in curriculum when completed at separate colleges. Nursing applicants that have taken Anatomy and Physiology at two separate colleges are required to receive approval for these courses by requesting a *Request for Equivalencies and Substitutions* form from the Counseling or Evaluations departments.

Selection Procedure

Available enrollment spaces are selected by rank order (highest points) based on points earned on the multicriteria factors and through random selection (see *Enrollment Criteria for Advanced Placement Students* attached). RCC reserves the right to designate a certain number of enrollment spaces for contract agreements and/or to meet requirements grant- designated outcomes.

Applicants with a regionally accredited bachelor's degree from the United States (US) will be waived from completing the 6 general education courses, but must have taken the science prerequisites, satisfy the Statistics (MAT-12/12H or PSY/SOC-48) and PSY-9 requirements, and have taken courses in English Composition, Communication and Sociology/Cultural Anthropology.

Students must pass the *RCC HESI Advanced Placement Exam* prior to program enrollment (see below).

For specific information regarding the SON selection criteria, please see the *SON Enrollment Committee Policy and Procedure Manual*.

If a student is not offered a space in the program, a new application is necessary in the next application period. The SON has no wait list.

RCC HESI Advanced Placement Exam Information

1. Students must provide proof of licensure as an LVN to be eligible to take the exam.
2. The Advanced Placement Exam is provided to comply with *BRN Rules and Regulations, Section 2786.6, Regulation Concerning Credit*. It is offered twice a year. Please check with the SON for specific dates.
3. The minimum passing score is established by the SON. No rounding of scores will occur, per program policy.
4. For study purposes, information will be available in NRN-18 or NRN-19.
5. If a passing score is earned on the *RCC HESI Advanced Placement Exam*, the LVN or non-nursing professional is eligible for acceptance to Nursing 12 or 21, pending space available and completion of minimum requirements for eligibility.
6. The *RCC HESI Advanced Placement Exam* must be paid for at RCC Cashier's office 3 weeks prior to the exam. You must show proof of payment to be eligible to take the exam.
7. Students applying for Advanced Placement have 2 attempts to pass the *RCC HESI Advanced Placement Exam*. If the student does not pass after the second attempt, the student must apply for Nursing 11 in the ADN (RN) program.

Skill Competency

1. Should the LVN or non-nursing professional accept advanced placement in Nursing 12 or 21, the student is responsible for all knowledge and skills from previous semesters of the RCC ADN (RN) program. Please see *Nursing Skills Across the Curriculum*.
2. Any skills related to the registered nursing scope of practice (venipuncture, intravenous insertion, administration of intravenous medications [IV push, IVPB, and primary IV fluids], blood product administration, management of PCA infusion, central line dressing changes), will be taught in NRN-18 or NRN-19.
3. Skill competency will be assessed during NRN-18 or 19 and must be passed with a *Satisfactory* to be considered for Advanced Placement admission.

Transcript Requirements

Transcripts are *Official* when they are sent directly to RCC from the sending institution or are hand-delivered by the student in a sealed envelope from the sending institution. Copies of transcripts/diplomas not accepted. Transcripts are *Up-to-Date* when they are received by RCC no more than 90 days after the sending institution issued them, as verified by the date that the institution stamps on the transcript. If you need to request an official copy of your transcripts from other colleges previously attended, please visit the [Parchment](#) website. Transcripts that are not official and not considered *Up-to-Date* will be returned to the student, and will result in a lower priority status. Please be aware that your transcripts will be purged after one year if you have never been enrolled at RCC, or if you have not been an RCC student for four years.

***Additional General Education Requirements (24-26 units)**

The following general education courses are not required for admission to the ADN (RN) program; rather, they are required for the completion of the ADN (RN) degree. Most students complete these requirements before entering the ADN (RN) program due to the rigorous course load. Students who intend to continue at CSU or UC for their BSN should clarify the general education/graduation requirements with the Nursing Educational Advisor and/or Nursing Counselor (951) 222-8407.

Nursing 21	8.5	Nursing 22	8.5
Nursing 21A	0.5	Nursing 22A	0.5

Recommended Electives During Program

It is highly recommended that all nursing students enroll in a Nursing Learning Lab (B and/or C course) each semester. These electives provide opportunities for additional self-paced practice and mastery of nursing skills. Instructional guidance and computer assisted materials which support semester student learning outcomes are also available.

Expenses (per year)

1. Students pay Health Services Fees (\$25), parking (\$100), Student Services Fees (\$30) and tuition (\$46) per unit each semester.
2. Students furnish their own uniforms. The cost is approximately \$250.
3. The costs of nursing books, supply bag, iPad, testing platform and other required resources are approximately \$2,500.
4. Physical examination/lab work costs are approximately \$98 - \$600.
5. Background checks/CPR costs approximately \$220.
6. Students are required to purchase standardized testing package for use during the program. Estimated cost is \$1,100.
7. It is recommended that students carry personal health and accident insurance including hospitalization. Policies are available to college students at reasonable rates. The college provides liability insurance at no cost to the student.
8. Total cost is approximately \$6,000 for two semesters.

When planning expenses, students should be aware they may have to limit their hours of employment due to the rigor required for the ADN (RN) program. Scholarships and grants are available to those students who qualify.

Health Examination and CPR Certification

Students will be admitted to the program pending submission of a CPR card (American Heart Association BLS Healthcare Provider Course) that is valid for 2 years, required immunizations, and a completed health examination form with clearance permitting unrestricted functional abilities essential to nursing practice in accordance with the American with Disabilities Act (1990). A completed immunization record, health examination, and CPR certification are not required at the time of application.

Background Check/Drug Screen

All new and readmitting students are required to demonstrate a clear background check and drug screen prior to enrollment in the ADN (RN) program. See the *Background Check/Drug Screen* policy in the *SON Enrollment Committee Policy and Procedure Manual* for further details. The background check requires that students be able to provide a valid social security number or Individual Taxpayer Identification Number (ITIN). The process for obtaining the background check is available in the School of Nursing office.

California Board of Registered Nursing Legal Limitation of Licensure: Misdemeanors/Felony Notification

Graduates of the ADN (RN) program are eligible to apply for the NCLEX-RN licensure exam. This requires that applicants submit fingerprints and report any prior conviction or any offense other than minor traffic violations. Failure to report such convictions can be grounds for denial of licensure. The BRN investigates convictions by obtaining information on the underlying facts of the case, dates, and disposition of the case, and subsequent rehabilitation.

Questions pertaining to the legal limitations of licensure for such convictions should be addressed by the student to the BRN **prior** to beginning the ADN (RN) program: California Board of Registered Nursing, P.O. Box 944210, Sacramento, CA 94244-2100 or call (916) 322-3350; website www.rn.ca.gov.

Citizenship and Immigration Status Verification Required for VN/RN Licensure

The *Federal Personal Responsibility and Work Opportunity Reconciliation Act* requires government agencies to eliminate *public benefits* to individuals who cannot provide proof of their legal status in the US. *Public benefit* has been interpreted to include a license issued by a state. This means that all applicants for licensure as vocational/registered nurses will be required to submit verification of citizenship or legal residence status in the US. A license will not be issued until legal status in the US has been confirmed by the Immigration and Naturalization Service.

Disclosure of Social Security Number/Individual Taxpayer Identification Number (ITIN)

Disclosure of one's social security number or ITIN is mandatory for licensure by the BRN in accordance with Section 30 of the Business and Professions Code and Public Law 94-455 (42USCA 405 (c)(2)(C)).

Fingerprint Requirement

One requirement to qualify for the licensing examination is the submission of Live Scan fingerprints. These are evaluated by the California Department of Justice and the FBI.

The Riverside Community College District Board of Trustees has adopted policies and procedures and has endorsed practices which provide for the District and its employees and students to be in compliance with all the applicable laws relating to prohibition of discrimination on the basis of gender, age, race, color, national origin, religion, disability or sexual orientation.

REGISTERED NURSING NON-DEGREE 30-UNIT OPTION PROGRAM FOR LVNs

1. This option complies with the California Board of Registered Nursing Policy (*Section 1429 of BRN Rules and Regulations*).
2. Candidates interested in the LVN 30-Unit Option must complete the minimum requirements for eligibility as listed below:
 - a. Minimum GPA of 2.3 in the following science prerequisite courses:

Biology 50A	4 units
Biology 50B	4 units
Biology 55	<u>4 units</u>
	12 units
 - b. Provide copy of an *Active* California LVN license.
 - c. Submit Nursing application online during the application period (June and October).
 - d. Submit official transcripts (high school or equivalent and college) to the Admissions and Records or Counseling Departments by the application deadline.
 - e. Have a cumulative GPA of 2.0 or higher in all college work attempted.
 - f. Earn a passing score on the *Skill Competency Assessment*.
3. Candidates meeting the above criteria will be accepted into the second year of the ADN (RN) program, pending space availability.
4. 30- unit Option Program:

Prerequisite Courses	12.0 units
Nursing 21- Acute and Chronic Illness II/ Mental Health Specialty	8.5 units
Nursing 21A – Nursing Learning Lab	0.5 units
Nursing 22- Integrated Care Across the Life Span	8.5 units
Nursing 22A – Nursing Learning Lab	<u>0.5 units</u>
	30.0 units
5. Not Required
 - a. *RCC HESI Advanced Placement Exam*
 - b. Psychology 9
 - c. General Education/Graduation Requirements
 - d. Nursing 18 or Nursing 19
6. The LVN 30-Unit Option non-degree RN Program does not lead to an Associate Degree in Nursing. This non-graduate status entitles the candidate to take the NCLEX-RN for licensure as a registered nurse **only in the State of California**. This permanent non-graduate status may hinder employment and further educational opportunities and may prohibit endorsement as a registered nurse in other states.

**RIVERSIDE CITY COLLEGE
SCHOOL OF NURSING**

COUNSELING: LVN 30-Unit Option

1. Counseling is provided to students interested in the 30-unit option. The counseling includes the admission process, course requirements, the advantages/disadvantages of this route to licensure, and that high school graduation or equivalent is required in order to take the NCLEX-RN.
2. Written information about this option is included in the *Advanced Placement/ Transfer/30-Unit-Option Information Sheet*.

ADMISSION REQUIREMENTS

1. The applicant for this option is not required to meet university or college admission requirements.
2. The applicant for this option must be licensed, either active or inactive, as a Vocational Nurse in California; or a program, at its discretion, may admit a VN program graduate waiting to take the first NCLEX-PN. Continuation in the RN program is contingent upon passing the NCLEX-PN.
3. Thirty-unit option students must adhere to all additional non-academic program requirements (i.e. CPR, health checks, background checks, drug screen).
4. LVN 30-unit option applicants are exempt from the requirement to submit a letter of recommendation from the director of the prior nursing program.

CURRICULUM

1. The required courses include microbiology, anatomy and physiology, and nursing, and do not exceed 30 semester units.
2. Credit is given for any previously completed required course, regardless of date the course was taken.
3. Prerequisites to microbiology or anatomy and physiology are not required.
4. Nursing theory content includes nursing intervention in acute, preventive, remedial, supportive, rehabilitative and teaching aspects of nursing, as well as leadership and management.
5. Clinical practice, with concurrent theory, is required in and is limited to advanced med/surg, geriatrics, and psych/mental health. A minimum of 30 clinical hours is required in each of these areas.
6. Students are not required to provide care to OB and pediatric patients.
7. Nursing 18 is not required of 30-unit option students.
8. High School diploma, GED or equivalent as specified by the BRN is required.
9. Students admitted to Nursing 21 as LVN 30-unit option cannot be required to have a high school diploma or equivalent for admission. However, to be eligible for NCLEX-RN, this requirement must have been met.
10. Thirty-unit option students are not required to take the Advanced Placement Exam and are placed in Nursing 21 of the ADN (RN) program, pending space available.

Pertinent Statutes and Regulations
