

RIVERSIDE CITY COLLEGE
California State University (CSU) General Education Requirements
2022.23

To obtain a Bachelor's degree from a CSU campus, you must complete 48 semester units of general education. A Community College can certify 39 of these units as having fulfilled the CSU lower division general education requirements. The remaining 9 units of upper-division general education coursework are to be taken at the CSU campus after transfer. A course can only be certified if it was approved for CSU GE when it was taken. *Norco College and Moreno Valley College are separate colleges and the courses that are approved for CSU GE may vary. Students who wish to take courses at another institution and apply them towards CSU GE should always first consult with a counselor to make sure the course will fulfill the intended requirement. The courses listed below will fulfill the lower division general education requirements for all CSU campuses.*

CSU Graduation Requirement in United States History, Constitution, and Government

Although this is not a part of the general education requirements, **it is a CSU graduation requirement** that can be completed at Riverside City College prior to transfer. The courses below will also partially fulfill CSU GE Areas C, D, or F in the areas they are approved. The same course may not be used in more than one GE area.

1. U.S. History (3 units)

Ethnic Studies 2(same as HIS 31), 14(same as HIS 14), 15(same as HIS 15), 28(same as HIS 28), 29(same as HIS 29), 44(same as HIS 44); History 6 or 6H or 7 or 7H, 11(same as MIL 1), 12(same as MIL 2), 14(same as ETS 14), 15(same as ETS 15), 28(same as ETS 28), 29(same as ETS 29), 31(same as ETS 2), 34, 44(same as ETS 44); Humanities 16;

2. Constitution and Government (3 units)

Ethnic Studies 21(same as POL 21); Political Science 1/1H, 21(same as ETS 21);

Note: Riverside City College's POL-1/1H or ETS/POL-21 fulfills the CSU graduation requirement in both U.S. government and California state and local government. Students who have completed ETS/POL-23, or who have received a score of 3 or higher on the AP U.S. Government and Politics exam, or who have taken a U.S. government class at an out-of-state institution may have fulfilled the U.S. government requirement but will still need to fulfill the California state and local government in order to graduate from the CSU.

NOTES:

1. Courses cannot be double-counted to satisfy more than one area, even if a course is listed in more than one area.
2. Upper division transfer students will need to complete a minimum of 60 transferable units, their "Golden 4" courses, and at least 30 units of general education.
3. "Golden 4 Courses" in Areas A-1, A-2, A-3, and B-4 must be completed with grades of "C-" or better prior to admission. However, RCCD requires a "C" grade or better to meet course prerequisites.
4. It is highly recommended to make an appointment with a counselor to ensure proper academic planning and to complete a student educational plan (SEP).
5. If you are completing an Associate Degree for Transfer (ADT) – please meet with a counselor to review important information about the ADT: Similar Majors at the CSU, Application Process for the ADT, and general benefits.
6. CSU GE area F is effective for students beginning at a CCC or a CSU campus in fall 2021 and beyond. Students with continuous enrollment prior to fall 2021 may choose to complete the pre-fall 21 CSU GE pattern without Area F and with 9 units from at least two different disciplines completed in Area D. For purposes of area F, continuous enrollment is defined as attendance in at least one semester per calendar year at a CSU or California Community College or a combination of the two. See a counselor for details.

CSU GE for STEM - Students pursuing certain Associate Degrees for Transfer may be eligible to complete CSU GE for STEM, deferring two lower-division GE courses until after transfer. CSU GE for STEM is applicable only to majors in which the Transfer Model Curriculum explicitly indicates the availability of the option. **At Riverside City College, currently only the ADT in Biology allows CSU GE for STEM.**

"CSU GE Breadth for STEM" certification as part of an Associate Degree for Transfer in Biology would require that the student has completed:

- a. All courses in Areas A, B, E and F of the traditional GE Breadth curriculum; and
- b. One course in Area C1 Arts and one course in Area C2 Humanities; and
- c. One course in Area D

Please consult with a Riverside City College counselor to discuss which general education pattern is the best option for you based on your individual major, goals, and transfer institution.
