RCC Student Employment Job Request Instructions

The Job Request Form notifies Student Employment of the duties the students will be performing in a position, who the manager and contact persons are for the position and lets us know if the manager requires it to be posted, when to post it and for how long. This form is required each fiscal year. Here are some tips and guidelines to consider when completing the form:

1. **Remote work will only be allowed during the 2021 summer intercession.**
Summer employment will be remote only unless expressed written permission from a VP or a VC is granted to work in-person. Those students that were approved in-person for 20-21 will have extended permission for summer. After summer, work will return to in-person for all student employees. If the remote work is different from the in-person work, both job descriptions/duties should be provided and listed separately. If there is not enough room on the form, a separate word document can be submitted with the form.
2. Department or site is the name of the hiring department such as Performing Arts and the Division, for example, would be music or theatre.
3. A manager or director must be listed. The contact person can be the manager or other designated staff or faculty member.
4. The job category is tied to certain general skills and a pay range. Choose a category from the drop down menu (Student Aide I, II, III, IV, V). You will find the list of job categories and pay ranges attached.
5. Please choose the funding type from the drop down window.
6. Please list if you want the position posted, when to post and the post end date. The average post time is about two weeks.
7. The job description should list a detailed set of job duties. If specific job duties are not listed the form will be returned for correction. If you need more room, please type up the job description and duties on a separate word document and submit with the form.
8. The dean for your area must sign and date at the bottom. The spaces below the signature are for Office Use Only.
